

IPA All School Mtg

October 25, 2023

1. Past Events

a. Homecoming

- i. Cupcakes brought in more money than years past
- ii. Chili and Cupcakes had better placement this year (near US Commons)
 1. Plan to move Cupcakes to NW corner of Commons (access from hallway and outside commons entrances)
 2. Need more volunteers for Cupcakes to aid in faster turnover of customers
- iii. Concern re: large time gap between festivities & FB Game
 1. Homecoming Festivities are from 4:30-6:30 and FB start at 7, so time gap not of huge concern, especially for volunteers who have to clean up festivities prior to attending the FB game

 1. LS Teachers contacted students' families on where to meet them after the parade and to provide them with a parent and contact number for student retrieval
- v. Food Trucks were a great addition
