# Homework Policy

---

- Homework will be assigned Monday- Thursday, if all educational objectives for the week have been met. If all educational objectives have not been met, students will have homework on Fridays.
- Occasionally special projects will be assigned on the weekend and this assignment will be posted in Google Classroom.

# MAKEUP POLICY

The main social objective for the eighth grade is the preparation of students for high school. As a result, students are following a high school schedule this year. The makeup policy in my classroom is straightforward. No make up work will be accepted. The only time makeup will be accepted is in the event of a family, or personal emergency, and documentation must be provided. Students will have three days from the day they return to school to make up all work.

# ISTATION

Students are expected to complete sixty minutes of Istation a week. They will be completing about thirty minutes of this in class a week. They should plan on completing an additional ten to fifteen minutes a night; this will depend on the time they need to reach the sixty minute minimum.
