Welcome
Parents & Students

Paterson Public School
Mr. Karim
2023-2024

Parent conferences

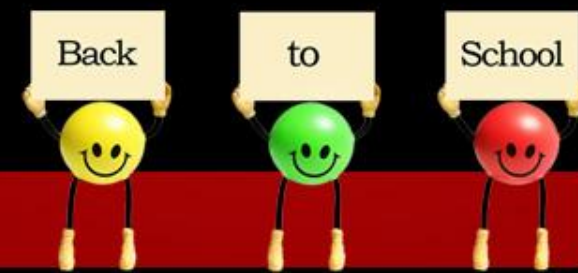

- We will discuss:
 - Your Concerns
 - Grade level
 - Benchmarks
 - Behavior
 - Expectations
- Sign up tonight.

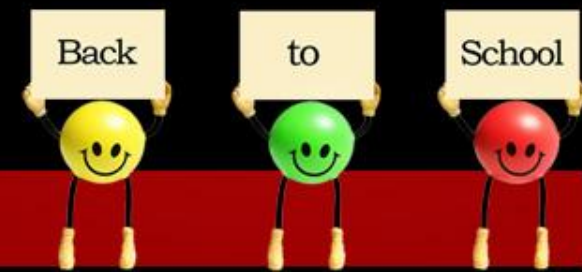

JATS

- **JATS Mission Statement**
- *Rigorous Academic Model for Success*
- *Mission Statement:*
- Our mission at JATS is to provide a high quality, rigorous, and meaningful education for all students. Through the collaboration of all stakeholders, each student will be expected to succeed and encouraged to achieve a standard of excellence while working toward chosen career goals.
- **Each student will be treated as an individual, given the tools to be a lifelong learner and taught to be a productive member of society.**

Mr. Karim Class Expectations

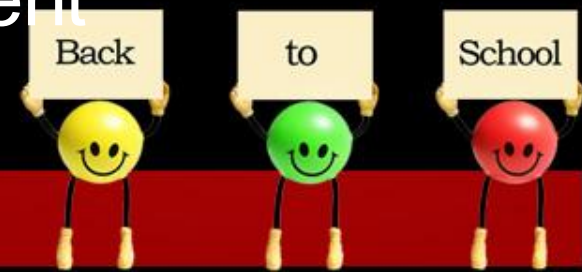

- » Expectations for you:
- » 1. BE READY - come to class on time, prepared, and ready to learn!
- » 2. BE KIND – Kind to yourself and others around you.
- » 3. BE BRAVE – Don't be afraid to try new things and to make mistakes (that's life).
- » 4. BE GREAT – Make this class better by being the best you!

21st Century math approach

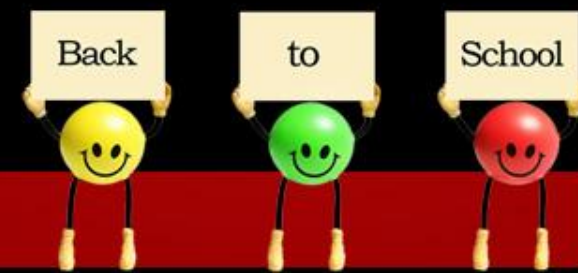

Critical thinking is more than just a buzzword... It's an *essential* skill that helps students develop problem-solving abilities and make logical connections between different concepts.

Mr. Karim will encourage critical thinking in math. Students will learn to approach problems more thoughtfully, they will learn to analyze and evaluate math concepts, identify patterns and relationships, and will explore different strategies for finding the solution.

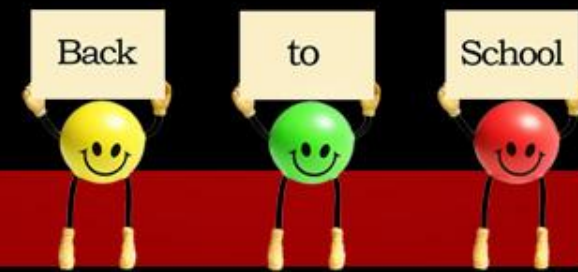

Student Responsibilities.

- Ask/Answer questions
- Take turns participating daily in classroom discussions
- Complete task and turn in work on time
- Work independently or in groups (when assigned)
- Be an active member of the classroom community.

Unacceptable Behavior:

- Vulgarity (no cursing, vulgar language, or inappropriate gestures, memes)
- Negative feedback on other's work and /or comments
- No eating or drinking during a class session.

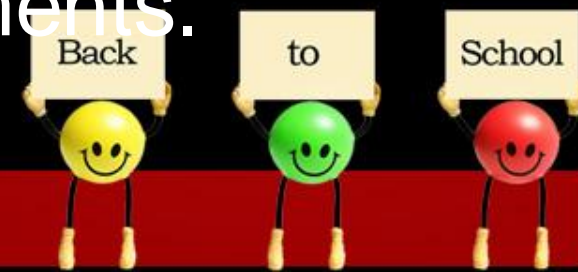

Homework

Public Domain

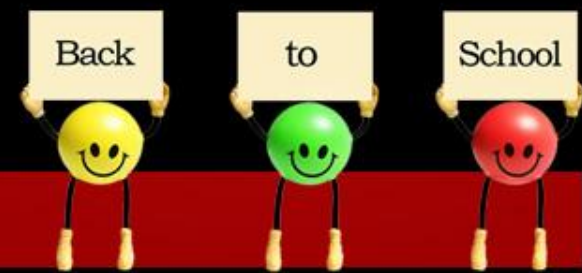

- Monday – Friday
- Each day's homework is due the next day.
- Students are expected to show complete work if instructed by the teacher on some assignments.

How much time should your student spend on Homework?

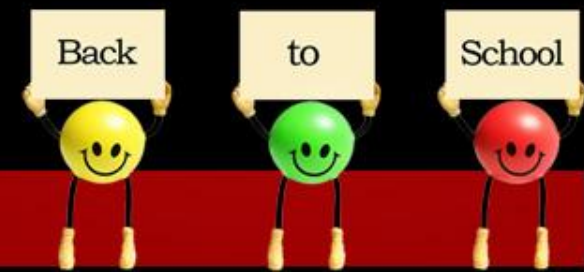

Math Mastery

- Addition & Subtraction facts should have been mastered in first & second grade.
- Multiplication should have been mastered in third grade.
- Division should have been mastered in 4th grade.
- If your children do not know their basic facts, they need to work with you daily, to memorize them.

Math Intervention:

- ALEKS is used as math intervention tool for students.
- Students need to work on it for minimum 30 minutes per day.
- ALEKS is designed to improve math skills.

Back
