### 4th Grade Spotlight

Our 4th grade team is taking the time to focus on WIN Time rotations. Our goal is to make sure we are all able to work in a scholarly learning environment. It is important we take this time to focus on what we need because our learning and growth happens in all kinds of ways!

### Expanded Learning Opportunities Program

The first ELOP assembly will take place on Friday, Oct. 6 at 2:45 p.m. Families, you can sign up your child to attend this assembly through ClassDojo or scanning the QR code on paper flyer that will be passed out on the same day it is posted. Student attendance for this and the coming assemblies are on a first come, first serve basis. If you have any questions, you may reach out to Ms. Luna

### Attendance Incentives

As a reminder, on Monday, October 2 students with perfect attendance will qualify for the new attendance incentives. Students must be in school everyday without any independent studies to qualify for all of the prizes. Students with perfect in seat attendance for October will attend a special pizza party event.

### Metro Bus Passes
