# "EXTENDING LEARNING BEYOND THE CLASSROOM"

SCAN ME

**Congratulations**! Your child will participate in the ELBC program where s/he will be assigned a laptop and receive access to a digital learning environment for anywhere, anytime learning opportunities. Details on how you can learn more about ELBC and student/ parent resources will be forthcoming from your school.

**For more information, visit sites.google.com/clayton.k12.ga.us/ELBC.**

## ABOUT THE DEVICE

### Chromebook and Accessories

- Chromebook, carry case for safe transport to and from school, and power cord for charging while at home.
- As a prerequisite, ELBC students and parents/ guardians must sign then submit the ELBC User Agreement form.
- The Chromebook will only operate with the student's CCPS username, password, & Internet connectivity.
- The CCPS Portal will provide access to district academic resources and a digital learning environment including G Suite for productivity tools.
- The school will collect all equipment by the last day of school or on the student's last day of enrollment.

## INTERNET SAFETY

### Digital Citizenship and Appropriate Use

- Students will participate in Digital Citizenship modules and ongoing discussions to promote safe and responsible use of technology.
- Contact your child's school to discuss at-home WiFi options.
- Web filtering & activity tracking will be in place at all times, on and off school campus.
- Assigned devices may be used to explore, create, access, and share educational digital content only.
- Students must comply with the ELBC Orientation Video, Student Handbook, and Acceptable Use Policy guidelines.

## DEVICE PROTECTION

### Damaged or Stolen Devices

- All Chromebooks are covered by a protection plan.
- A teacher must submit a tech ticket for all issues related to student Chromebooks and access to CCPS-provided digital resources.
- Replacement accessories will be available for purchase.
- Stolen devices must be reported within 72 hours of obtaining an accompanying police report.
