Good evening Leopard Families,

This is superintendent Michele Shaffer.

We are on the ballot with Issue 34: a Substitute Levy. This is our third and final opportunity to pass the existing levy, which is not a new tax for our existing property owners. The Board of Education voted to put a substitute levy on the ballot because it can add more revenue to our schools from new construction only, with no tax increase for our existing property owners. This ensures that we receive an appropriate amount of funding to maintain our current programming.

On our website, we have posted a ballot language explanation, answers to frequently asked questions, an infographic explaining how our substitute levy works, and a link to the Stark County Auditor's website. There is a tool where property owners can see how each levy on the ballot will affect their taxes. This is where you can verify that there is no tax increase.

This information is intended to provide factual information only. If you have any questions, please visit our website; all contact information is listed, or submit a question, and we will reach out to you.

Don't forget to vote on November 7, and as always, go Leopards!

*Michele Shaffer*
