## NEW District Goals

### Goal #1:

Increase and sustain academic achievement and accountability across the district – (All schools will reach the State Average in All Assessments by 2025)

### Goal #2:

Achieve and maintain a sound financial status in the district.

### Goal #3:

Increase Parental Involvement and Community Engagement through improved Customer Service District-Wide.

### Goal #4:

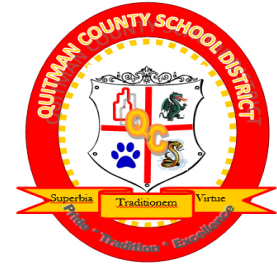

Increase teacher retention and recruitment to provide the “Highest Qualified Educators” who focus on academic excellence.

*The Annual Title I Open House took place on October 24<sup>th</sup>, and we would like to thank our parents for attending.*

**Congratulations!**  
**Quitman County School District is a “B.”**

## Quitman County School District

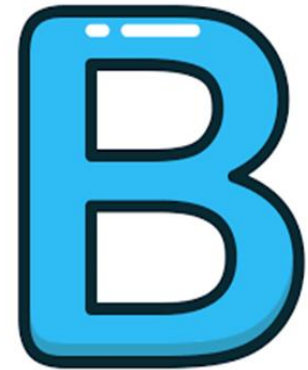

1362 MLK. HWY/P.O. Box E  
Marks, MS 38646

## The District Informer

Vision: Driven *by* Excellence

*Mission: The mission of Quitman County School District is to provide a caring community of excellence committed to successfully preparing students for college and/or the world of work.*

## Congratulations

ON OUR ACADEMIC STATUS  
JOB WELL DONE QCSD!

**Volume 47 - October 2023**  
**Thanksgiving Holidays**  
**November 20-24, 2023**

*Ms. Tukiya Stephens and Mr. Walter Shegog, captain and co-captain of Madison Shannon Palmer High School, are standing in solidarity on their 2022-2023 "A" academic status. This is the first time that the high school has reached this status of academic excellence.*

*Ms. Rosland Clinton and Mr. Ricardo Sacks, the enterprising elementary school team, earned a "B" for 2022-2023.*

*Mr. John Jossell and Mrs. Katrena Stuckey Ford, the dynamic middle school team, earned a "D" for 2022-2023.*

*Mrs. Tametrice Crawford's Career Technical Center's director contributions helped to solidify the high school's A status.*

### *Law and Public Safety Class*

The Career Technical Center's Law and Public Safety class on their recent trip to Central Mississippi Correctional Facility (CMCF). While there, they visited the adult and youth centers.

Below, the class presents an emergency tote to the superintendent. It included emergency items that will sustain an individual for up to a week during a catastrophic event.

*Welding teacher, Mr. Ingram and the CTE staff, helped students to increase the high school's acceleration points. Awesome Job!*

### *Update from Superintendent Robinson*

To our Students, Staff, Parents and Community Stakeholders, *Congratulations* again on the success of becoming a "B" District. Everyone in the district played an important role in this accomplishment. In order to maintain, we must work hard.

We have already completed the first nine weeks' assessment. Administrators and teachers take this data and analysis it. They identify students who need support during the intervention period and in extended day learning which started October 30<sup>th</sup>. Parents we need your help to make sure they attend extended day tutoring sessions. Make sure that students come to school daily, unless they are sick. When planning appointments, try to schedule them after 63% of the day is complete. Check your child's grades in Active Parent. Establish a relationship with the school and your child's teacher(s). Help them with assignments. There are lots of things we need to do and we have all the right people in place to get it done. Keep Up the Good Work!

### *New Federal Programs Director*

Mr. Walter Atkins, Jr. is a product of Darling, MS. He graduated from Madison Shannon Palmer High School; while in high school, he joined the United States Army Reserve. After completing Basic and Advanced Individual Training, he attended Alcorn State University where he received his Bachelor of Science and Masters of Secondary Education. He has served as elementary and high school principal. *Congratulations Mr. Atkins, we are proud of you!*
