

LUTHERAN NORTH ACADEMY'S

VETERINARY PROGRAM

IN PARTNERSHIP WITH TEXAS A&M

A leader in education, Lutheran North Academy is taking the next step in preparing students for careers in health and science related fields. The **VETERINARY PROGRAM** provides students with the coursework and real-world experience in these fields.

PROGRAM OVERVIEW

The program spans a broad array of topics in all facets of veterinary medicine, including but not limited to:

- *Managing a Veterinary Practice*
- *Laws Related to Veterinary Medicine*
- *Biosecurity*
- *Animal Identification and Movement*
- *Animal Nutrition*
- *Anatomy & Physiology*
- *Immunology*
- *Pharmacology*
- *Laboratory Skills*
- *Diagnostic Imaging*
- *Surgery*

The median wage for veterinarians is over **\$100,000**.

The veterinary industry predicts 20% growth in jobs from 2022 to 2032.*

*U.S. Bureau of Labor Statistics
