

Mercer County Titan Learning Days Plan 2023-2024

Parents and Students,

If the district calls a **Titan Learning Day** due to weather or health concerns, students will log in to their Google Classroom account and get their assignments for the day. Assignments will be posted by 9:00am in Google Classroom. Students are expected to turn in all assignments each day.

Teachers will be available from 8:00-3:00 to answer questions.

Notification of a Titan Learning Day will be posted on all the district social media accounts and the district website.

** If you are unable to get internet access, please visit the district website for locations throughout the district that have **FREE** Wifi available. In addition, if there is enough notice, the students can download their assignments from Google Classroom before leaving school that afternoon. A student has 5 days to turn in the work.

What do I do on a Titan Learning Day?

Students

Students will log into Google Classroom each day after 9:00 am. Logging in and completing/turning in assignments will count as participation for that day. Students are expected to complete the assignment and turn in that day to get participation for that day. **NO ACCESS STUDENTS** can get assignments early if able and complete OR will have to wait and make-up the work when we return to school. ALL assignments **MUST** be turned in within 5 days from the TLD.

Parents

Parents are expected to support their child with friendly reminders to get on Google Classroom each day to complete and turn in ALL assignments. Parents can get clarification from teachers during office hours from 8-3pm. Encourage your student to find a quiet place to work and focus.
