It is time once again to make a difference in our community as we celebrate Spirit of Giving Week and Fill the Bucket Week at our school December 11 - 15! We will be filling our buckets with canned goods or other non-perishable items for the Louisville Community Cupboard. Our goal will be to bring in over 400 items over the course of the week to match the number of students and staff in our building. Watch for more information to be coming in the upcoming weeks.
