

Be A Flu Fighter!

Akron Children's is coming to your school to help you fight the flu.

We are offering the flu and other vaccines at these Akron Public Schools.

November

- 2 – Firestone Clusters
- 3 – Buchtel Clusters
- 6 – Garfield Cluster, Stem HS & Akron Early College
- 8 – Ellet Clusters
- 9 – North Clusters
- 10 – East Clusters
- 14 – District make-up day

Costs

Akron Children's provides flu shots for students at school. We bill Medicaid and private insurance. Qualifying uninsured students can receive the shot at no charge.

Why flu vaccines are important

Flu shots save lives. The best way to reduce or avoid the spread of flu is to get vaccinated every year.

Requirements

If you want to receive a flu shot, see your school clinic nurse for a consent form. Then, bring the completed form to your school clinic nurse at least one week before your flu shot appointment.

Adaptive Vaccination Support

Thanks to a partnership with the Autism Society of Greater Akron, we provide accommodations and support for individuals with needle anxiety, sensory issues or communication challenges. For more information call 330-543-7242 or visit AutismAkron.org/VEI.

Questions

Contact your school clinic nurse with any questions you have or call 330-543-7242.
