Question, Persuade, Refer (QPR)

-Three steps anyone can learn to help prevent suicide

-We can all save lives.

Question, Persuade, Refer (QPR) is a course focused on reducing suicidal behaviors by providing innovative, practical and proven suicide prevention strategies. We believe that quality education empowers all people, regardless of their background, to make a positive difference in the life of someone they know.

Topics covered:

- How to Question, Persuade and Refer someone who may be suicidal
- How to get help for yourself or learn more about preventing suicide
- The common causes of suicidal behavior
- The warning signs of suicide
- How to get help for someone in crisis

Adams 12 Five Star Schools offers regular QPR training to our community at no cost. Anyone 18+ is welcome. Each QPR session is limited to only 40 participants, so spots can fill up quickly. In order to maximize the training experience we require at least 15 to register and attend the QPR session.

Event Details:

DATE: 11/16/23

TIME: 6:00pm

LOCATION: Thornton High School

RSVP: to C Paul-Divine 8th grade counselor @

ATTENDANCE

Contact Information:

Attendance Line - 720-972-5198

Nancy Bender - Attendance Secretary
720-972-5169 -
Nancy.L.Bender@adams12.org

If your student arrives more than five minutes late for school, please have them stop at the Attendance Office to get a late pass. They should do this as soon as they walk in the school building. The reason this is an important step is to make sure that your student's attendance is updated and corrected.

Checking Your Student Out Early

We understand that there will be times you will need to check out your student from school early. When doing this you **MUST** come inside to the main office window to sign them out. You will need a **picture ID** and you must be on the authorized pick-up list for the student you are checking out in the Infinite Campus system.

Apply Now for Free and Reduced Benefits

Free and reduced benefits help families and your school.

Families are encouraged to apply for free and reduced benefits for the upcoming school year. By applying for free and reduced benefits families receive assistance and they help your child's school too.

Here's how. By applying:

- Your child's school can receive additional funding to enhance the educational experience for all students.
- School fees can be waived or reduced. These include athletic fees, course fees and activity and field trip fees tied to curriculum.
- Students in grades 9-12 can receive assistance with post-graduation planning, scholarships, state and national testing (including SAT, ACT, Advanced Placement and International Baccalaureate), and post-secondary enrollment.
- Families can qualify for additional resources, such as medical, food and cash assistance.
- Families can receive support with community services, such as internet, gym memberships, passes to museums and cultural events.

APPLY NOW

Families must reapply for free and reduced benefits each new school year. You will receive your eligibility letter in the mail or by email. United States citizenship or immigration status is not a condition of eligibility for free and reduced benefits. Questions or for a paper application, contact nutritionmealbenefit@adams12.org or (720) 972-4195

SCHOOL ACCOUNTABILITY COMMITTEE

The School Accountability Committee (SAC) is an opportunity for parents and community members to have a voice in the continuous school improvement process.

This team of volunteers meets with one or more teacher representatives and the building principal or designee at least four times per year to review school data, discuss the school improvement plan, provide recommendations about spending priorities and promote parent and community engagement. Members of the team learn about the important work of the school and offer insight and feedback.

Still time to join this committee. Please contact Ms. Murphy if you are interested in more information!

District/State 23 - 24 Testing Dates at TMS

MAP School Wide:

Fall: Wednesday, August 16th

Winter: Wednesday, December 20th

Spring: Wednesday, April 24th

CMAS (and DLM) School Wide:

ELA and Math: April 9th, 11th, and 12th

8th Grade Science and (CoAlt): April 16th

ACCESS testing window:

Jan 8th - Feb. 9th

GT screener:

6th Grade Screener: Thursday, Nov. 2nd

Cougar News

Testing Information

MAP testing is a computer adaptive test ALL TMS students will take 3 times this year (fall, winter, and spring). This is a district required interim test that students in grades 1 - 9 complete to track growth on reading and mathematics skills.

Resources for families:

Family Toolkit: <https://www.nwea.org/family-toolkit/>

MAP Commonly Asked Questions <https://www.nwea.org/the-map-suite/common-questions-families/>

CMAS testing is a state required test that is administered in the spring testing students' grade level knowledge on the standards. ALL students take the English Language Arts and Mathematics. 8th grade students also take the Science test.

Resources for families:

Adams 12 Five Star Schools information:

<https://www.adams12.org/academics/assessments/state-assessments/cmas>

Colorado Department of Education (CDE) website:

<https://www.cde.state.co.us/communications/factsheetsandfags-assessment#factsheets>

<http://www.cde.state.co.us/assessment/generalinfo-parents>

ACCESS testing is a series of English language proficiency assessments that is administered annually to monitor progress in listening, speaking, reading, and writing. Only students who are monitored for ELD services are tested for ACCESS.

Resources for families:

ACCESS for ELLs information: <https://wida.wisc.edu/assess/access>

GT screener is given to all 6th grade students. Some 7th and 8th grade students may also get screened at a different time depending on if they were screened in 6th grade.

Testing Information For Parents/Students

Day of testing:

Encourage your student to have a goodnight sleep the night before.

Encourage your student to have breakfast on the days of testing, whether it is at home, or getting free breakfast in the TMS cafeteria!

Remind students to bring their charged chromebook AND charger the days of testing.

Encourage your student to do the best they can that day and to be mindful of the other students taking the test so that they can also do the best they can. TRY on every question. We want to know what you know of the standards. It's okay if you are unsure, the best thing you can do in any situation is try.

Why do these scores matter?

CMAS and MAP scores are used as a data point for placement into high school programs such as advanced classes, remedial courses, as well entry into tech programs (Future Forward and Bollman)

The state uses CMAS scores to rate schools and for funding purposes.

MAP scores are used for teacher evaluations.

ACCESS scores can help students test out of ELD courses.

What supports are in place at TMS to support students with CMAS?

Teachers are teaching and assessing the standards set out by the state of Colorado in classes daily. These are the standards that are assessed on CMAS.

Students take fall, winter, and spring MAP in reading and Math. These tests support students in experiencing a testing environment. This also provides standardized data to teachers to help support student learning.

How can families support their student(s) in CMAS and MAP scores and their education in general?

Encourage students to complete all assignments and learning activities in all their classes, especially making sure that students make up all assessment opportunities.

Be involved in the student's academics. Ask questions about what students are learning and ask to see work sent home. Log into Infinite Campus and ask about scores.

Remind students of your expectations for their learning and to follow school expectations so that all students are able to learn and grow.

Reach out to teachers and the school with any questions around your student's education. We are all here to partner to support students in learning and growing.

Remind students to bring a charged chromebook to school EVERY DAY.

Reading at home makes a BIG difference in students' learning!

The Colorado Office of Behavioral Health and its partners have launched IMatter, a program that provides up to three free counseling sessions for Colorado youth.

Get Connected

Youth and their parents can visit the I Matter platform to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth. All Colorado youth ages 18 or younger—or 21 and younger if receiving special education services—are eligible to receive free services.

Contact Information

- For general inquiries about the program, contact elizabeth.owens@state.co.us.
- To inquire about being a provider within the program, contact providers@imattercolorado.org.
- To receive help with the website or support in scheduling a session, email support@imattercolorado.org.

Free/Reduced Benefits

Apply now for meal benefits for the 2023/2024 school year. We are asking all families to apply to support potential funding or benefits that go beyond meals. Remember all families must reapply every year.

Apply today at www.adams12.org/myschoolapps. Please be sure to submit an application. Your household's free and reduced-price lunch program (school meals) application can help your family access discounted internet and phone costs and secure additional funds for your school. If your household qualifies for school meals, you might also qualify for P-EBT.
