3RD GRADE NEWS

November 2023

A Note From 3rd Grade:

Hello 3rd Grade Families!

October was such a fun month in third grade! Our highly anticipated "Math-Or-Treat" event was a success and students had a blast at field day!

This month, third graders will be learning multiple strategies to add and subtract. In reading, students will be reading two stories about immigration to the United States. We will continue learning about the life cycles and features of animals. To enhance our learning, we will be participating in a fun activity through the Denver Museum of Nature and Science in the classroom!

 Ms. Grigsby, Ms. Rambadt, Mr. Revering

Upcoming Events:

-  November 8th - Field Trip @ ENT Center of Performing Arts
-  November 10th - No School (Veteran's Day)
-  November 14th - Thanksgiving Feast (more info to come)
-  November 20th - 24th - No School (Thanksgiving Break)

Learning Targets

MATH	I can use multiple strategies to add and subtract three-digit numbers.
READING	Genre: Historical Fiction I can determine the theme of a story.
WRITING	I can restate and answer a question and support my answer with text evidence.
SCIENCE	I can describe the features or organisms and explain their life cycles.

Stay In Touch :

Remind is the best method to contact your student's teacher and receive updates.
