Chadwick International COVID Statement
From February 2020 through SY 2021-2022, CI students had limited access to school-based co-curricular activities; many student-led activities had to be canceled or postponed. Despite this, students were able to develop independent and individual ways to continue their involvement in sports, service, and the creative arts.
**Academic Policy**

Grade 11 and 12 students choose to take the full IB Diploma Programme, some IB Courses, or the IBCP. CI requires that students in the full IBDP take no more than three HL classes. Students are NOT ranked at Chadwick International and we do not calculate or provide GPA’s. Students receive one final report (June) and one mid-year progress report (January). Students who transfer into CI mid-year will earn a Pass for courses on their final report. Students are required to study MYP subjects in grades 9 & 10 and complete a Personal Project (grade 10).

**Diploma Requirements**

All CI graduates receive an American High School Diploma. A minimum of 22 year-long credits are required for graduation (20 for students with approved accommodations).

The minimum number of year-long credits required by subject for graduation are:

** Graduation Requirements **

Students must fulfill Outdoor Education and Community Service requirements.

**Outdoor Education**

Chadwick Schools’ unique yearly Outdoor Education program encourages students in grades 4-12, to live our Mission statement through extended and challenging small-group expeditions in the wilderness.

**Community Service**

Chadwick International requires students to contribute to their community through volunteer activities. In these educational experiences, students apply what they are learning in class to community problems and reflect upon their experiences in order to gain a deeper understanding of skills and concepts in the community. The program seeks to foster in our students a lifelong, active commitment to service.
