KEEPING KIDS SAFE!

Social Media Tips For Students

1

Do Not Give Out Personal Information.

Keep private your full name, address, phone number, school name, and your current location.

Use High Privacy Settings.

Create strong passwords and do not share them with others.

2

Tell a Parent or Guardian

if you see bad language, distasteful pictures and inappropriate video while you are online.

3

4

Make Sure to Only Accept Friend Requests

from people you know personally. Don't communicate with strangers.

5

Tell An Adult

if you think cyber bullying is happening to you or others, or if you are unsure of anything.

Do Not Post Anything

you wouldn't want your parents, teachers and friends to see. Once it's online, it's there for everyone to see.

6

Never Meet Up With Strangers

you 'meet' online. If someone asks to meet you, tell your parents or guardian right away.

7

8

Do Not Share or Accept

inappropriate photos, videos, or messages, not only of yourself, but also of your family, friends and schoolmates.

9

Be a Friend! Do Not Bully Others Online.

Do not post rude or harassing comments about people.

Unplug! Find Balance.

It's healthy to get outdoors, move, play and interact face-to-face.

10

Be Safe! Be Sure! Be Smart!
