Summary of Survey Comments

- 176 respondents added comments to open-ended question
- Themes:
 - As kids are exposed to more of this content earlier, we should be teaching them earlier.
 - Equip kids with knowledge and skills to make healthy choices, especially:
 - Consent and assault prevention
 - Puberty, kids are maturing earlier
 - Acceptance of different gender identities and sexual orientation
 - Some families prefer to teach their children these topics at home
 - Parents can get the schedule of lessons, review all materials, and choose whether to opt out their student for all or just part of the curriculum. Contact principals for details.
 - Update curriculum to be more current and inclusive
 - Offer classes for parents on how to talk to their kids about these topics as a compliment
