# WELCOME

## Fellow Golf Enthusiasts,

Thank you for being here today and for supporting the Bill Garrett President's Cup Golf Tournament. A very special thank you goes to Cristo Rey Atlanta Jesuit Board of Trustees member Tremese Davis and Georgia Natural Gas for their Presenting Sponsorship and to the many other supporters sponsoring this wonderful event today.

While you are enjoying a beautiful day of golf, you are also changing the lives of 481 Cristo Rey Atlanta students who are now on a path to college. Your participation in this tournament is a direct investment in their future and all proceeds go toward the Student Scholarship Program.

Since opening our doors ten years ago in 2014, we have made a significant impact in changing the trajectory of the lives of students and their families by fulfilling our mission of providing an outstanding college prep education and workplace experience to deserving students from low-income families. Our students are hard-working and prepared for college and for the workforce. By joining us today, you are now part of this incredible mission and are changing lives, too.

Collectively Cristo Rey Atlanta's 739 alumni have accomplished the following:

- 100% acceptance into college
- Over \$102 million in merit scholarships
- Admission into top-tier institutions including Yale, Dartmouth, Cornell, Notre Dame, Boston College, Georgetown, Georgia Tech, UGA, Northwestern, UVA, and the University of Pennsylvania

Alumni are graduating from college and entering the workforce as seasoned professionals who understand what it takes to be successful in a work environment. I encourage you to recruit these graduates who will make an impact in your own company.

On behalf of our students and their families, as well as the faculty & staff at Cristo Rey Atlanta Jesuit, thank you for your support of our remarkable school and joining us in our mission.

Sincerely,

Camille Naughton
