Ritenour STEAM Expo

Tuesday, Nov. 3, 2015

5:30 – 7:30 p.m.

Ritenour High School Auditorium
9100 St. Charles Rock Road

This free, family-friendly interactive Expo will showcase:

- Fun STEAM activities presented by Ritenour students from all schools and many different grade levels
- Examples of stop motion animation, aeronautics, biomedical science and more Project Lead the Way programs
- Easy projects you can do at home
- An opportunity to check out Ritenour High School's radio and television studios

The Expo also includes:

- A Boeing flight simulator
- A BJC medical robot
- A St. Louis County Police bomb robot
- Examples of STEAM books and programs by St. Louis County Library
- "Make & Take" projects by The Magic House
- STEAM opportunities with the Boy Scouts and Girl Scouts
