

# Hebron Academy

We have **RESET** tuition  
so you can **RETHINK** your possibilities!

Dear current and prospective Hebron families,

I am writing with exciting news for the 2024-25 school year. Here at Hebron Academy, we have always believed in the power of education to transform lives and shape the future. We are committed to ensuring that all students have the opportunity to receive the exceptional education and life-changing experience that Hebron Academy offers. With that in mind, I am pleased to announce that for the upcoming school year, we will **reset tuition** for our current and prospective families because we firmly believe that a Hebron Academy education should be affordable and accessible for everyone.

Over the past decade, the average tuition at independent schools has increased by over 50%, while household income has not. Independent school prices as a whole have spiraled out of control, becoming prohibitively expensive for some families. To ensure that Hebron Academy remains a possibility for many students, both now and into the future, we decided that it is time for a change.

This decision is part of our ongoing effort to uphold the excellence and quality of education for which Hebron Academy is known while simultaneously striving to be more inclusive, accessible, and affordable. For more details about tuition prices for 2024-2025, please visit [Tuition Reset](#) or contact the [Admission Office](#). Current and prospective families who are interested in receiving financial assistance are still encouraged to [complete the financial assistance application on our website](#), for we are committed to working with our families to continue to offer need-based financial support.

For our current families, there will be two opportunities to hear more about the tuition reset. On Monday, November 6, we'll have a Parent Coffee in the Reading Room from 8:15-9:00 a.m. Eastern Time. That same evening we'll host a Zoom meeting from 5:00-5:45 p.m. Eastern Time. An email invitation to those events will follow shortly.

Your trust and support are invaluable to us, and we believe the decision to reset tuition is exciting, forward-thinking, and bold, while setting us apart as trailblazers in the world of independent schools.

With all best wishes,

Patrick J. Phillips  
Head of School

Rooted in Maine, we cultivate trailblazers.
