

BOARD OF EDUCATION MEETING PACKET

November 6, 2023

7:00pm

Bates Boardroom

Our Vision:

Champion Learning –

Develop, Educate, and Inspire!

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is time for public participation during the meeting as indicated in the agenda below. Upon request to the Superintendent the District shall make reasonable accommodation for a person with disabilities to be able to participate in this meeting.

A. CALL TO ORDER

1. Roll Call

B. MEETING MINUTES

- * An appropriate motion might be, "I move that the Board of Education approve the attached meeting minutes from October 16, 2023 as presented/amended."

C. APPROVAL OF AGENDA

Board policy provides that the Superintendent of Schools shall prepare an agenda for all Board meetings as directed by the President of the Board of Education.

- * An appropriate motion might be, "I move that the Board of Education approve the agenda as presented/amended."

D. SCHOOL PRESENTATIONS

1. Shining Star
DHS Teacher Jaime Dudash will be recognized for his "stellar" work.
2. No-Transport Zone
Principal for Operations Craig McCalla will share a presentation on proposed "no-transport" zones to reduce the number of bus routes. There will be an opportunity to discuss this topic in depth later in the meeting.

E. PUBLIC PARTICIPATION (full guidelines at link)

Each speaker is allotted a maximum of 5 minutes for a total of 30 minutes unless otherwise notified. At this point in the meeting, those interested in making a public comment will be asked to raise their hands so the time may be divided equally. Each speaker will be asked to announce their name and district of residence and indicate if they represent any organization or agency. No person may speak more than once on the same subject during a single meeting nor yield their time to another speaker. The Board does not respond to comments during the meeting. Those wishing to receive a personal response from the Board or Superintendent must complete a [public comment form](#) available at the meeting entrance and on our website.

F. ADMINISTRATIVE & BOARD UPDATES

1. Superintendent
2. Board President
3. Student Representatives

G. CONSENT ITEMS – none

H. ACTION ITEMS

1. Policies–Second Reading
On September 13, 2023, the policy committee met to review policies 2414–*Reproductive Health and Family Planning* and 2418–*Sex Education*. They recommended the two policies be combined into one for clarity. The committee made no changes to the existing policy text. There is one legal update from NEOLA to the language regarding

prohibition of abortion referrals. The committee also added a definition of Sex Education. Combining these policies will mean rescinding the current policy 1414. On October 16, 2023, the Board of Education approved the recommended updates for first reading.

- * An appropriate motion might be, "I move that the Board of Education approve attached policies 1414 and 1418 for second reading and final approval."
- 2. Approve Comprehensive Course Catalog
This evening's packet includes an executive summary from Executive Director of Instruction Ryan Bruder regarding updates to the Comprehensive Course Catalog. Tonight's packet includes an updated comprehensive listing of all courses available to DCS Students. As explained in the executive summary, this listing includes the addition of *Special Topics: Social Studies* and *AP/IB Biology HL 1A & 1B*. Your approval of this catalog tonight will not create new courses; new courses will continue to come before the Board for discussion and approval as usual.
- * An appropriate motion might be, "I move that the Board of Education approve the attached November 2023 Comprehensive Course Catalog."
- 3. Appoint Additional Sex Education Advisory Board (SEAB) Members
At the October 16, 2023 meeting, the Board of Education appointed sixteen people to the SEAB board. Your packet includes the original memo. Two names were inadvertently left off that list and need to be appointed this evening.
- * An appropriate motion might be, "I move that the Board of Education appoint Dan Trevisan and Laura Preston to the Sex Education Advisory Board."
- I. **DISCUSSION ITEMS**- 1. Update on Multigenerational Center Committee and Funding
Dr. Timmis will update the Board on progress regarding funding for the Multigenerational center and the committee. Minutes are in the information items.
- 2. MASB Delegate Resolutions
At the MASB Delegate Assembly on November 9th, district delegates will vote on amended, new, and deleted resolutions. This evening's packet contains a list of all the resolutions to be discussed; here is a link to the [full resolutions handbook](#). Trustees received these resolutions at the October 16, 2023 meeting. This evening is an opportunity to discuss any resolutions of concern and give the voting delegates guidance as a board.
- 3. No-Transport Zone
Along with the rest of the nation, the Dexter Community Schools District continues to have difficulty staffing bus routes. Earlier in the meeting, Principal for Operations

Craig McCalla will have shared a proposal for creating no-transport zones to reduce the number of routes. This item is for discussion only this evening.

J. PUBLIC PARTICIPATION (up to ~ 15 minutes/max 3 per person)

Each speaker is allotted a maximum of 3 minutes for a total of 15 minutes unless otherwise notified. At this point in the meeting, those interested in making a public comment will be asked to raise their hands so the time may be divided equally. Each speaker will be asked to announce their name and district of residence and indicate if they represent any organization or agency. No person may speak more than once on the same subject during a single meeting nor yield their time to another speaker. The Board does not respond to comments during the meeting. Guests: Ann Pregont, Christie Bueche, Kim Lindsay, Michelle Sposito, Tim Sposito, Jill Boydston, Bill Bernard

B. MEETING MINUTES

Elise Bruderly made a motion to approve the meeting minutes from 9/11/2023 as presented. Melanie Szawara seconded the motion. **Motion Carried (unanimous).**

C. APPROVAL OF AGENDA

Melanie Szawara made a motion to approve the agenda as presented. Jennifer Kangas seconded the motion. **Motion Carried (unanimous).**

D. SCHOOL PRESENTATIONS

1. Shining Star

Class of 2023 graduate Mikala Sposito was honored for her welding achievements in local, state, and national competitions. Her proud parents accepted the award on her behalf. Mikala is currently getting her welding certification at Washtenaw Community College and was unable to attend this BOE meeting due to class. Shining Stars are members of the DCS community who go above and beyond their normal role or responsibilities and shine a light on Dexter Schools with their achievements. They are honored with a certificate and their name on a board in the Bates Boardroom.

2. Audit

Kim Lindsay of Rehmann Robson shared with the Board the results of the 2022-2023 financial audit. Dexter received an unmodified “clean” opinion with no findings or reportable conditions on financial reporting. The audit tested Education Stabilization Funds federal programs; no findings or reportable conditions were noted. \$1.79 million of federal grant expenditures were tested.

3. Virtual Learning Overview

Virtual Learning Coordinator Ann Pregont outlined for the Board the scope and depth of Dexter Schools virtual learning opportunities. She shared various reasons that students may enroll in virtual courses, including taking courses that are not offered in person; semester or year sabbaticals for competitive athletes or family travel; homeschooling; health reasons; and more. Students receive individual support with subjects and pacing to stay on track, classroom supplies,

and opportunities to attend demonstrations in school as well as the option to participate in athletics and DCS extracurricular activities.

4. State Test Results

Executive Director of Instruction shared state testing results from last spring and noted: it will be interesting to see the impact of the new K-4 ELA curriculum on this year's scores; Math Accelerator seems to have improved Creekside math scores so that program will be added for younger students. Overall, the data showed significant success of our students and a continued trend of our student performance outperforming peer districts the further up they move in grade levels.

E. PUBLIC PARTICIPATION – none

F. ADMINISTRATIVE & BOARD UPDATES

1. Superintendent Update

Dr. Timmis noted that:

- Bus routes are still an issue;
- Friday is another opportunity to beat Chelsea;
- German exchange students are arriving next week.

2. Board President Update - saved for later in the meeting.

3. Student Representatives Update

Student Representative Marty Watson shared that he enjoyed Homecoming as a member of the Court; many sports teams are heading into end-of-season competitions and doing well; NHS students have been getting plenty of volunteer opportunities.

G. CONSENT ITEMS

1. Melanie Szawara made a motion that the Board of Education approve the consent items in bulk. Dick Lundy seconded the motion. **Motion Carried (unanimous).** The Board:

- Offered probationary teaching contracts for the remainder of the 2023-2024 school year to Laura Sayers and Nolan Wolffis;
- Hired Christie Bueche as CFO at admin level G;
- Received the August 2023 and September 2023 budget reports.

H. ACTION ITEMS

1. Accept Audit

Melanie Szawara made a motion that the Board of Education accept the 2022-2023 Financial Audit. Dick Lundy seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**

**DEXTER COMMUNITY SCHOOLS

2. Altria Settlement
Brian Arnold made a motion that the Board of Education authorize the Superintendent to execute the Altria settlement agreement. Elise Bruderly seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**
3. Policies–First Reading
Melanie Szawara made a motion that the Board of Education approve policies 1414 and 1418 for first reading. Elise Bruderly seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**
4. Appoint SEAB Committee Members
Elise Bruderly made a motion that the Board of Education appoint the following people to the Sex Education Advisory Board committee: Katie Barry, Dr. Laura Babe, Pastor Tim Broyles, Cole Doty, Dr. Randy Desrochers, Mutheu Esilaba, Dr. Jessica Fealy, Kim Kirkey, Kiara Kapusansky, Penni Jones, Kaela Laurin, Crystal Zurek, Anne Scruggs, Karie Reschke, Amy Reiser, and Ann Pregont. Melanie Szawara seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**
5. Certify MASB Delegates
Melanie Szawara made a motion that the Board of Education nominate Elise Bruderly and Jennifer Kangas as delegates for the MASB Assembly November 9, 2023. Daniel Alabré seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**
6. MISEC Choice Solar Farm Electricity Power Purchase Agreement
Jennifer Kangas made a motion that the Board of Education adopt the attached resolution approving the MISEC Electric Choice Solar Electricity Power Purchase Agreement. Melanie Sawara seconded the motion. **Roll Call Vote. Motion Carried (unanimous).**
- I. **DISCUSSION ITEMS**
 1. Update on Multigenerational Center Committee and Funding
Dr. Timmis shared with the board and discussed minutes from the first three Multigenerational committee meetings. Numbers for total project funding are tied up in the current federal government spending situation. The Wellness Center property is part of a condo association, which presents unique challenges for the building to be purchased for a community center. With the hiring of a new CFO, Sharon Raschke will be freed up to work on those issues. Dr. Timmis also shared a summary statement for the community: “The Dexter Multigenerational Center project is a partnership between Dexter Community Schools and the Dexter Senior Center. Currently, DCS has been awarded \$8.5 million from the state budget and is awaiting details on how to formally request the funds along with the fund requirements. Meanwhile, the Dexter Senior Center has been seeking additional funding which will help provide Furniture needs and other supports for the senior center. Dexter Community Schools also applied for an additional \$2.5 million from a State Community Center Grant. The notification of awardees is scheduled in late October. Meanwhile, once the federal budget is sorted out, Dexter Community Schools will be notified whether or not we

received additional funding requested from the Federal budget. We are excited to continue this partnership between the Dexter Community Schools and the Dexter Senior Center.”

2. MASB Delegate Resolutions

The Board received the summary list of MASB Delegate Assembly resolutions to be voted on at the conference, and a link to the full texts for review prior to discussion at the next board meeting November 6th.

J. PUBLIC PARTICIPATION – none

K. BOARD COMMENTS

1. Elise Bruderly spoke about the October 2nd Legislative Breakfast and invited trustees to share any topics they think should be on the WASB agenda for future breakfasts.
2. Mara Greatorex noted that the Ed Foundation Rivalry’s Match-It-Monday event was going well; the rivalry match will end Friday at halftime at the game. Dexter is currently ahead by a slim margin but these matches typically go down to the wire and this would be a great place to beat Chelsea because everyone benefits.

2414 - REPRODUCTIVE HEALTH AND FAMILY PLANNING

The Board of Education directs that instruction be provided on the principal modes by which dangerous communicable diseases, including HIV and AIDS, are spread and the best methods for the restriction and prevention of these diseases. The instruction shall stress that abstinence from sex is the only protection that is 100% effective against unplanned pregnancy and sexually transmitted diseases, including HIV and AIDS, and that abstinence is a positive lifestyle for unmarried young people.

No person shall dispense or otherwise distribute in a District school or on District school property a family planning drug or device. Additionally, any school official, member of the Board, or employee of the Board who is not the parent or the legal guardian of the student involved is prohibited from referring a student for an abortion.

Each person who teaches K to 12 students about human immunodeficiency virus infection and acquired immunodeficiency syndrome shall have training in human immunodeficiency virus infection and acquired immunodeficiency syndrome education for young people. Licensed health care professionals who have received training on human immunodeficiency virus infection and acquired immunodeficiency syndrome are exempt from this requirement.

The District shall notify the parents, in advance of the instruction and about the content of the instruction, give the parents an opportunity, prior to instruction, to review the materials to be used (other than tests), as well as the opportunity to observe the instruction, and advise the parents of their right to have their child excused from the instruction.

Before any revisions to the curriculum on the subjects taught pursuant to M.C.L. 380.1169 are implemented, the Board shall hold at least two (2) public hearings on the proposed revisions. The hearings shall be held at least one (1) week apart and public notice of the hearings shall be given in the manner required for board meetings. A public hearing held pursuant to this section may be held in conjunction with a public hearing held pursuant to M.C.L. 380.1507.

2418 - SEX EDUCATION AND REPRODUCTIVE HEALTH & FAMILY PLANNING

(combined 2414 & 2418)
First Reading 10-16-2023
Second Reading 11-6-2023

DEFINITION

Sex education is sequential developmentally-appropriate instruction that aims to develop and strengthen the ability of students to make informed, healthy, and respectful decisions regarding relationships and sexual and reproductive health. It is taught within the framework of the State of Michigan Health Education Standards, which focus on building skills including accessing information, analyzing information, communication, goal-setting and decision-making, self-management, and advocacy. Core concepts, introduced in a developmentally appropriate manner and according to the grade-level health education standards, include but are not limited to bodily autonomy, puberty and development, identity, sexual expression, consent, healthy relationships, HIV and STI prevention and treatment, conception, and accessing sexual and reproductive health resources and services.

Discussions, activities, or texts/books used to teach to other academic standards, that are introduced during classroom instruction of non-health courses, and that may include human sexuality, gender identity, or any of the core concepts outlined above do not constitute sex education and would not be subject to the legal requirements of [§380.1507](#), as they are not materials and methods that are part of a unit to teach the Michigan Health Education Standards focusing on growth and development/sex education ([Strand 7](#)).

SEX EDUCATION

In accordance with Michigan statute, the Board of Education authorizes instruction in sex education. Such instruction may include family planning, human sexuality, and the emotional, physical, psychological, hygienic, economic, and social aspects of family life. Instruction may also include the subjects of reproductive health and the recognition, prevention, and treatment of sexually transmitted diseases.

The instruction described in this policy shall stress that abstinence from sex is a responsible and effective method of preventing unplanned or out-of-wedlock pregnancy and sexually transmitted disease and is a positive lifestyle for unmarried young people.

Such instruction shall be elective and not a requirement for graduation.

A student shall not be enrolled in a class in which the subjects of family planning or reproductive health are discussed unless the student's parent or guardian is notified in advance of the course and the content of the course, is given a prior opportunity to review the materials to be used in the course and is notified in advance of his or her right to have the student excused from the class. The Michigan Board of Education shall determine the form and content of the notice required in this policy.

Upon the written request of a student or the student's parent or legal guardian, the student shall be excused, without penalty or loss of academic credit, from attending a class described in this policy. If a parent or guardian submits a continuing written notice, the student will not be enrolled in a class described in this policy unless the parent or guardian submits a written authorization for that enrollment.

The District shall provide the instruction by teachers qualified to teach health education.

The Board shall establish a sex education advisory board and shall determine terms of service for the sex education advisory board, the number of members to serve on the advisory board, and a membership selection process that reasonably reflects the District's population. The Board shall appoint two (2) co-chairs for the advisory board, at least one (1) of whom is a parent of a child attending a District school. At least one-half (1/2) of the members of the sex education advisory board shall be parents who have a child attending a District school, and a majority of these parent members shall be individuals who are not employed by a District. The sex education advisory board shall include students of the District, educators, local clergy, and community health professionals. Written or electronic notice of a sex education advisory board meeting shall be sent to each member at least two (2) weeks before the date of the meeting.

The sex education advisory board shall:

- A. Establish program goals and objectives for student knowledge and skills that are likely to reduce the rates of sex, pregnancy, and sexually transmitted diseases. Additional program goals and objectives may be established by the sex education advisory board that are not contrary to Michigan law.
- B. Review the materials and methods of instruction used and make recommendations to the Board for implementation. The advisory board shall take into consideration the District's needs, demographics, and trends including, but not limited to, teenage pregnancy rates, sexually transmitted disease rates, and incidents of student sexual violence and harassment.
- C. At least once every two (2) years, evaluate, measure, and report the attainment of program goals and objectives established by the advisory board. The Board shall make the resulting report available to parents in the District.

Before adopting any revisions in the materials or methods used in instruction under this policy including, but not limited to, revisions to provide for the teaching of abstinence from sex as a method of preventing unplanned or out-of-wedlock pregnancy and sexually transmitted disease, the Board shall hold at least two (2) public hearings on the proposed revisions. The hearings shall be held at least one (1) week apart and public notice of the hearings shall be given in the manner required for Board meetings. A public hearing held

pursuant to this section may be held in conjunction with a public hearing held pursuant to M.C.L. 380.1169.

Each person who provides instruction to K to twelve (12) students in accordance with this policy shall receive training based on District-approved standards and in accordance with training requirements of the Michigan Department of Education (MDE) and Michigan Department of Health and Human Services (MDHHS).

No person shall dispense or otherwise distribute, in a District school or on District school property, a family planning drug or device. Additionally, any school official, member of the Board, or employee of the Board who is not the parent or legal guardian of the student involved is prohibited from referring a student for an abortion or assisting a student in obtaining an abortion.

For purposes of this policy, "family planning" means the use of a range of methods of fertility regulation to help individuals or couples avoid unplanned pregnancies; bring about wanted births; regulate the intervals between pregnancies; and plan the time at which births occur in relation to the age of parents. It may include the study of fetology. It may include marital and genetic information. Clinical abortion shall not be considered a method of family planning, nor shall abortion be taught as a method of reproductive health.

REPRODUCTIVE HEALTH AND FAMILY PLANNING

The Board of Education directs that instruction be provided on the principal modes by which dangerous communicable diseases, including HIV and AIDS, are spread and the best methods for the restriction and prevention of these diseases. The instruction shall stress that abstinence from sex is the only protection that is 100% effective against unplanned pregnancy and sexually transmitted diseases, including HIV and AIDS, and that abstinence is a positive lifestyle for unmarried young people.

No person shall dispense or otherwise distribute in a District school or on District school property a family planning drug or device. Additionally, any school official, member of the Board, or employee of the Board who is not the parent or the legal guardian of the student involved is prohibited from referring a student for an abortion or assisting a student in obtaining an abortion.

Each person who teaches K to 12 students about human immunodeficiency virus infection and acquired immunodeficiency syndrome shall have training in human immunodeficiency virus infection and acquired immunodeficiency syndrome education for young people. Licensed health care professionals who have received training on human immunodeficiency virus infection and acquired immunodeficiency syndrome are exempt from this requirement.

The District shall notify the parents, in advance of the instruction and about the content of the instruction, give the parents an opportunity, prior to instruction, to review the materials

to be used (other than tests), as well as the opportunity to observe the instruction, and advise the parents of their right to have their child excused from the instruction.

Before any revisions to the curriculum on the subjects taught pursuant to M.C.L. 380.1169 are implemented, the Board shall hold at least two (2) public hearings on the proposed revisions. The hearings shall be held at least one (1) week apart and public notice of the hearings shall be given in the manner required for board meetings. A public hearing held pursuant to this section may be held in conjunction with a public hearing held pursuant to M.C.L. 380.1507.

Dexter Community Schools
Board of Education
Executive Summary and Recommendation

Tuesday, October 31, 2023

Purpose:

Approval of 2023-2024 Dexter Community Schools Comprehensive Course Catalog, including Special Topics: Social Studies and AP/IB Biology HL 1A & 1.

Explanation:

The Dexter Community School District is proud to offer comprehensive courses at all grade levels across the organization. Each year, new courses are proposed to the Board of Education which goes through a formal course proposal process. These new courses will be presented to the Board of Education this fall for approval for the 2024-2025 school year.

Annually, the Board of Education should approve the Comprehensive Course Catalog, including any new courses. For the 2023-2024 school year, the following courses will need to be added to the Comprehensive Course Catalog for approval:

- **Special Topics: Social Studies**
- **AP/IB Biology HL 1A & 1B**

Special Topics: Social Studies is needed to provide opportunities for students participating in a special topic study in the field of Social Studies at Dexter High School. Topics for this course are determined in consultation with the department chair and must receive Admin approval.

AP/IB Biology HL 1A & 1B have been added due to low enrollment in AP Biology and IB Biology. This course allows for the opportunity for both AP and IB students to access the curriculum and prepare for their respective program assessments.

Recommendation:

The Board of Education should approve the attached November 2023 Comprehensive Course Catalog.
