Dear Parent/Guardian:

Our medication policy encourages parents to administer all medications at home; however, it is recognized that children with special needs, chronic illnesses or medical conditions and specific disabilities may require medication during the school day.

In accordance with the Board of Education POLICY AND REGULATION ON THE ADMINISTRATION OF MEDICATION, a physician's prescription and written parental consent must accompany ALL medication, both PRESCRIPTION AND NONPRESCRIPTION (over the counter).

PRESCRIPTION AND NON-PRESCRIPTION medications must be brought to school in the original container with the original label. It will be kept locked in the health office. Under no circumstances are students permitted to keep medication with them while in school.

A written statement from the physician must be brought to school at the start of each school year for those students who are on continuous daily medication or who require "as needed" medication for allergies, allergic reactions, chronic headaches, etc.

NO MEDICATION WILL BE ADMINISTERED WITHOUT THE WRITTEN PERMISSION OF THE PARENT AND PHYSICIAN.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Shamim', is written over a light blue horizontal line.
