Hello Oakland Unified Families,

As you know, we are currently experiencing a teachers' strike. Our schools remain open, but we understand some families will not send their students to school for a variety of reasons because of the strike. Given that absences are now more prevalent, it is important for all families to know that, for the time being, **you do not need to call your student's school to report an absence**. All such absences during the strike will be automatically marked excused.

Thank you for your patience and understanding as we work through this process.
