January 2023

Welcome Arrowhead High School Class of 2027!

During this exciting new beginning, it is important that appropriate and informed decisions regarding course selection be made. To assist with that process, Arrowhead will be offering an orientation program for incoming freshmen entering in Fall of 2023 on **Wednesday, January 18th from 5:30pm-7:50pm**. The purpose of orientation is to provide clarity in the course selection process, an overview of each department, and access to information on classes and co-curriculars.

Orientation will be held at North Campus in order to use the larger spaces and accommodate all families. Families will rotate between three different sessions. Afterward, staff members from various departments will be available to answer questions. Also, for those interested, tours of South Campus will be offered before and after the evening's orientation sessions.

Course selection materials from the Arrowhead High School Counseling Office will be distributed at your student's current school. Arrowhead staff will be available in the cafeteria to answer questions regarding program selection. The evening's schedule is as follows:

North Campus	4:45pm - 5:15pm	5:30pm- 6:10pm	6:20pm- 7:00pm	7:10pm- 7:50pm	8:00pm- 8:30pm
