Should the application be successful, the School may retain this status for up to a maximum of two years (“**Opening Date**”). If the School’s Opening Date changes while the School is still in the application process or after gaining membership, the School should inform COBIS of this change as soon as possible.
- 1.2. Once the User has been approved as a Provisional School, it will be entitled to receive the Member Benefits which are specific to Provisional Schools only.
- 1.3. The User will be expected to inform COBIS of its chosen quality assurance route and pursue further Quality Assurance for the School via COBIS Compliance or Accreditation, or BSO/CIS/NEASC accreditation plus COBIS ratification, as soon as six months, and no later than 12 months, from the Opening Date. Should the User choose to pursue one of the COBIS schemes, the School will transition to COBIS Applicant School status and it will therefore be eligible to receive the Member Benefits which are specific to COBIS Applicant Schools only. If however, the User chooses to pursue a third-party scheme (e.g. BSO Accreditation, CIS Accreditation, NEASC or NEASC/CIS Accreditation) the School must submit all information required for the relevant membership application within the 12 months from the School Opening Date. Should the details not be provided and the application for the new Membership category has not been completed within the 12 month period, COBIS may choose to downgrade the School’s status to a non-member.
- 1.4. Provisional School status does not guarantee automatic progression to other COBIS Membership categories. Please note that all Schools are subject to the application guidelines and requirements of the other membership categories regardless of their Provisional School status.

2. APPLYING FOR PROVISIONAL SCHOOL STATUS

- 2.1. All application fees and applicable Provisional School fees for the Provisional School status must be paid at the time of application.
- 2.2. The School is required to complete a Provisional School application. The application will be reviewed by the Membership and Engagement Manager.
- 2.3. If the School application is rejected by COBIS, the Provisional School fee will be refunded. The application fee is non-refundable.
- 2.4. The applicant profile is checked by a COBIS Membership and Engagement Manager and the ISC Research portal will be checked to see if the School is recognised as a “Future School” (i.e. a School that is known to COBIS).
- 2.5. If the School is not a Future School, an exploratory phone call is conducted by the Membership and Engagement Manager to understand the School’s development goals and associated timeframes. If the call is inconclusive, the Director of Accreditation will also speak to the School.
- 2.6. Subject to approval by the Membership and Engagement Manager and/or the Director of Accreditation, the school will submit the documentation required for the Provisional School application on the school’s Teams platform. Once this process is complete, the Director of Accreditation will draft an application summary, which will be shared with the COBIS CEO. If COBIS CEO considers that the School is in a position to be awarded Provisional School, a summary of the application and a recommendation for Provisional School status will be sent to the Membership and Accreditation Committee.
- 2.7. If the Membership and Accreditation Committee agree with the recommendation to offer Provisional School status, the COBIS Board will be invited to ratify the decision. The School shall be notified if the application is successful or unsuccessful.
- 2.8. In the event that the School:
 - 2.8.1. is unresponsive to COBIS’s communications for a period of three months or more (which may include the School’s failure to complete additional application stages or making payment), or

- 2.13. Where schools need to extend Provisional Status beyond 12 months (ie if the opening date of the school has been delayed), then an extension fee of £500 will be charged; this extension is valid for a further 12 months, and allows schools to retain the Provisional School status and access benefits associated with that status.
 - 2.14. If a school's status changes from Provisional to Applicant within two months of the extension date, 50% of the extension fee will be refunded.

3. MEMBER RIGHTS

- 3.1. Payment of the full Provisional School fee entitles the Provisional School to one delegate place for the COBIS Annual Conference, to be used within the first twelve months of Provisional status. - 1.4. Please note that submitting an application through any of the above four application routes does not guarantee that the User will receive Applicant School status, either now or in the future.
- 1.5. Notwithstanding clause 1.4 above, when the User submits an application to COBIS, it is making an offer to subscribe to COBIS which, if accepted by the COBIS Membership and Accreditation Committee and confirmation communicated to the nominated person completing the application, will result in a legally binding contract which includes the payment of associated Subscription Fees and compliance with the COBIS Articles of Association.
- 1.6. Final decisions on all applications and renewals are made by the CEO and Membership and Accreditation Committee of COBIS and ratified by the COBIS Board.
- 1.7. Once the User has submitted and paid for an application, the User will be entitled to receive the Member Benefits which are specific to Applicant Schools only.

- 4.10.3. If an existing member has not re-booked a Compliance or Accreditation Visit to take place after more than two terms since its original COBIS quality assurance deadline date, but has paid for a future Visit, its membership status will be changed to Applicant School status and no membership fee would be payable unless otherwise agreed with COBIS in writing (at COBIS's sole discretion).

 - 7.7.5. The length of the virtual visit will vary and is at the discretion of the COBIS Accreditation team.
 - 7.7.6. A successful virtual Compliance or Accreditation visit will be of equal value to an on-site visit and will carry the same validity length of five years.
 - 7.7.7. Further to 7.7.5., it is at the discretion of COBIS' Director of Accreditation as to whether the virtual visit is considered successful and sufficient as part of the quality assurance process.
 - 7.7.8. If a virtual visit is not considered sufficient, an onsite visit may be required. In this case, the fees outlined in 7.5 would apply.
 - 7.7.9. All other standard COBIS Membership Terms & Conditions apply.

9. REPORTS

- 9.1. Once a Visit has been completed, the LIP and Peer Accreditors (where applicable) will draft a report which is sent to the Director of Accreditation for editing. The User will receive a detailed report which has been approved and ratified by the COBIS Board roughly within four to six weeks of the Visit. If admitted into membership, the School will receive membership documentation.
- 9.2. COBIS will retain all intellectual property rights in the reports. Upon full payment of the fees, COBIS licences to the User the reports on a perpetual, irrevocable, non-transferable, royalty-free, worldwide basis for the User's internal use.

- 10.2. Where a significant change occurs at the User (e.g. new premises, change in senior leadership or governance etc), the User must notify COBIS in writing as soon as possible. It is the User's responsibility to ensure that COBIS is aware of any significant changes which take place at the User.

11. USE OF COBIS BRANDING AND LOGO

- 11.1. Upon successful completion of the Accreditation or Compliance scheme, ratification by the COBIS Board and formal confirmation of COBIS membership status via email and/or letter, the User may use the COBIS name and appropriate COBIS logo on a non-exclusive, royalty-free, non-transferable, non-sublicensable, revocable basis solely for the duration that the User has in force the applicable (and valid) COBIS Membership, provided that the User strictly complies with the COBIS brand guidelines. Depending on the scale and nature of non-compliance a School may be required to complete either an Action Plan or the whole Compliance process again (i.e. completing a further online application and an additional Visit has to be booked, paid for and successfully completed before membership can be granted), and may require a follow up mini-Visit. This new mini-Visit would incur an additional cost, which would be specified by COBIS in writing. In addition, Schools would also be responsible for covering all costs connected to travel, including but not limited to visa, travel insurance, accommodation and subsistence of the LIP for this new Visit. Where possible, we will try to find a LIP in the school's region to minimise the additional cost to the User. Membership (for existing members of COBIS) may, at the discretion of the COBIS Committee, be retained during this period until Compliance is successfully completed.
- 12.2. Should the User be found to be 'non-compliant' in one area of the COBIS Compliance or Accreditation standards only, an Action Plan will be drawn up by the LIP and COBIS which the School will be required to complete successfully at the satisfaction of the Director of Accreditation. In some cases, a mini-Visit to review the specific area may be arranged by COBIS for a shorter period (typically no more than one day). Where necessary, this new Visit would incur an additional cost, which would be specified by COBIS in writing. In addition, Schools would also be responsible for covering all costs connected to travel, including but not limited to visa, accommodation and subsistence of the LIP for this new Visit. Where possible, a LIP based regionally will be used to minimise the additional cost to the User. Membership (for existing members of COBIS) may, at the discretion of the COBIS Committee, be retained during this period (up to a maximum of one year) until Compliance is successfully completed. Notwithstanding, at the discretion of COBIS, the School may continue to use the Membership Benefits during the current Membership Subscription Term, provided that the Membership Subscription Fees have been paid in full.
