## **615.00 FAMILY INVOLVEMENT**

1. Each school site shall collaborate with its community of families to ensure family involvement in the education of their children. Each school shall implement a strategy that:
  - Takes a research-based, comprehensive approach to parent involvement and expectations that includes the following elements:
    - Parenting
    - Communicating
    - Volunteering
    - Learning at Home
    - Decision Making
    - Collaborating with the Community
  - Shares responsibility for high expectations and student performance.
  - Builds the involvement capacity of school, program staff and families.
  - Increases access and engagement of *all* families with children.
2. The end result will be to insure integration of family-school involvement throughout district activities, including development and evaluation of district and school improvement plans.
