**BRENTWOOD SCHOOL**

# Report on Philanthropy

### **A MESSAGE FROM DR. MIKE**

As we reflect on the success of the 2022-23 school year, we feel an enormous sense of gratitude for all that you helped the school achieve — thank you for your support!

At each year's closing, memorable images stay with us: our seniors guiding kindergartners through the opening ceremony, students sharing "aha" moments at our BCIL competitions, athletic teams rolling over competitors (go Eagles!), and actors — from Baby Elephant to the mainstage — wowing us with performances.

The Brentwood Annual Fund is a firm cornerstone beneath all of these things — and countless others. It covers up to 10 percent of each year's operating budget, which means we count on your gifts for everything from teacher salaries to technology, from facility upkeep to financial support. This past year, 2022-23, was notable: thanks to you, we not only met our Brentwood Annual Fund goal, we exceeded it.

Our school's strength and stability rest on a foundation built by our donors. Many of you took an extra step to fortify that foundation with a remarkable \$5 million in contributions to our endowment, thinking not only of today's students but of the generations to come. We couldn't be more grateful.

You are the reason we can uphold our mission, inspire our students, and create our sense of community. Your support secures our school's future.

Thank you once again for your generosity — it was the perfect way to wish the school a happy 50th anniversary!

With appreciation,

Dr. Mike  
Head of School

# 50th Anniversary Endowment Leadership Donors

## A MESSAGE FROM EMILY AND ALYSSA

We look back on our fabulous 50th anniversary year with pride, gratitude, and a renewed appreciation that Brentwood School is, indeed, an exceptional place for our students to learn and grow. Our community had a phenomenal year: we welcomed back many alumni and parents of alumni through both longstanding, traditional events and new ones; celebrated current and former faculty; and hosted a Homecoming weekend for the record books, with the largest crowd in our history cheering on the Eagles.

Your support was visible in myriad ways throughout this very special year. We surpassed our Brentwood Annual Fund goal of \$4 million, meeting the demands of our annual budget while sending a message of care and appreciation for the work of our dedicated teachers and staff. We also raised a sensational \$5 million to build our endowment, enhancing our financial foundation with an eye toward our next 50 years.

As members of a relatively young and small community, each of us plays an important part in maintaining our school's mission and encouraging others to do the same. Thank you for donating and ensuring that our student experience continues to engage, inspire, support, and challenge.

Each year we count on you, and in honor of our 50th anniversary, you stepped forward to make 2022-23 unforgettable. We are grateful for this milestone year of celebration, community, and generosity.

Our faculty members are committed to learning both in and outside of the classroom, and they inspire students to do the same. Dance teachers Nora Francis and Lauren Hall conceived an idea at the Dance Educators Conference and expanded it at Brentwood, inspiring Middle and Upper School dancers to explore how the art form of dance can make a difference. The teachers presented the resulting performance at a later Dance Educators Conference, showcasing the dedication, discipline, and collaborative spirit of their dance students.

Service learning opportunities are integrated into the Brentwood School experience at every age. The Lower School's leadership program provides students with the opportunity to hone and develop skills in collaborative thinking, decision-making, problem-solving, creative program planning, and public speaking. Students further develop these skills throughout their time at Brentwood, fostering active and responsible citizens in the community.
