

Manufacturer Sweatshop Compliance Confirmation Form

The manufacturer of the product must complete this form.

Item quoting/bidding: _____

Please submit one form for each item (additional items will require their own forms). If additional space is needed, additional forms may be attached.

Vendor quoting/bidding: _____

Manufacturer of product: _____

Saint Paul Schools quote #: _____

The manufacturer/producer of the product is the one who makes the goods (eg: makes a shirt from raw materials, not one that puts a logo or additional items on the shirt).

The contact person, title, address, and telephone number of each facility involved in the manufacture and production of products proposed in the above quote must be listed. This must be the actual facility that manufactures/produces the item, not the headquarters of the manufacturer.
