

Jie Ming Mandarin Immersion Academy: UPDATED traffic flow for student drop-off/pick-up effective October 9, 2023

To enhance student safety, and in anticipation of obstacles that come with winter (ice, snowbanks), we are **permanently changing** the bus and parent drop-off/pick-up traffic flow. **The change will go into effect Monday, October 9.** As shown below, buses will now use the traffic loop in front of the school. Families are asked to drop-off/pick-up students by lining up along Sue St. and Wordsworth Ave., as shown in blue. Families stopping or parking anywhere other than the designated Sue-Wordsworth path are to accompany students by foot to/from the crossing guard crosswalk. Ample bike parking will continue to be provided; staff, families, students and visitors are encouraged to walk, bike, and carpool as much as is practical.
