New Student Enrollment - allows you to enroll a new student.

Calendar - shows assignments and grades for assignments. Missing assignments are marked in **red**.

Gradebook - shows the grade for each class. You can click on the grade for more details and to email the teacher.

Attendance - provides details about student attendance. You can submit absence excuses or requests here.

Student Info - displays student demographic information including their email and student ID, teacher name, links for emailing the teacher, and family information.

Food Service - provides current account balance and daily expenditures. Links are provided to add money to a student's lunch account and to apply for free or reduced lunch.

Schedule - shows the student's schedule for the current term and full year.

Fee Management - displays any fees associated with the student's account such as chromebook insurance and damaged.

Conferences - displays any scheduled conferences.

Report Card - provides access to all past and present report cards.

Skylert - allows you to update phone numbers, emails and contact preferences.

Health Info - displays health information such as dental exams, physical exams, medications, vaccinations, and injuries.

Login History - displays the login history for your Skyward account.
