*Each summer, Brebeuf students are invited to experience a unique cultural immersion and service-oriented mission trip to the Oglala Lakota people of the Pine Ridge Indian Reservation in the southwest corner of South Dakota. This cultural immersion experience reflects the Brebeuf Mission Statement in that this type of experience fosters a culture of understanding and dialogue with people of diverse religious, ethnic, and socio-economic backgrounds. The total land area of the Pine Ridge Reservation is 2.1 million acres, with 1.7 million acres held in trust by the United States government. By land area, the reservation is the seventh largest in the country. According to the 2010 census, the population on the Pine Ridge Reservation is approximately 18,834, although the Oglala Sioux Tribe, which boasts an enrollment of 46,855 members.
