

EARLY CHILDHOOD SCREENING

Get your child ready for school!

EARLY CHILDHOOD SCREENING (ECS)* HELPS:

- you see how your child is doing
- find potential health and developmental concerns that may cause barriers to your child's learning
- connect you and your child to programs and resources to support healthy growth and development

**Required by MN law for all children before entering Kindergarten.*

AREAS CHECKED DURING SCREENING:

Development

Social and
Emotional

Speech and
Language

Vision

Hearing

Contact ECS for a **FREE** screening
for your child age 3, 4, or 5 at

651-632-3746 or
