- DIRECTIONS:**
- Slash "/" through each number as that meal is served. Cross "X" through each number that is taken on Field Trips. Transfer total count to your Daily Production Record as appropriate.
 - This sheet **must** be completed for **each** meal service that is provided and approved including Field Trips served.
 - If you used a clicker, check the box "Used Clicker" and circle the number served.
 - The signature is required from the person who is actually completing the meal tally sheet.
 - Enter counts on production record on other side and communicate numbers to monitor daily.
