

Skyward Mobile App

The Skyward Mobile Access App is free to download and allows you to connect to your student's information from your phone or portable device.

- Download the Skyward Mobile Access App.
- Open the App and select the method to locate Trinity Area School District; by Name, Current Location, or Postal Code.
- Enter your Login ID, Password, and a Account Description.
- Once logged in, you can take a tour of the available features or simply click on the three lines at the top right to access the menu bar.
- You will have access to many of the same features you would find logging into Skyward on your laptop.
