

Standard Response Protocols

Presentation for All PAC

Security and Emergency Management

Safety Plans

Incident

How to **Respond**

**Emergency Response
Procedures**

How to **Protect**

**Standard Response
Protocols**

What is a *Standard Response Protocol*?

- Created by the [iloveuguys](#) foundation →
- Eliminates confusing language
(ex: “Lockdown” and “Lockout” sound similar)
- Simple to understand

Emily Keyes
September 27, 2006
Platte Canyon High School
Bailey, CO

What are the *Standard Response Protocols*?

Hold in Place

**Now: Lockout
SY23: "Secure"**

Lockdown

Evacuate

Shelter

Students

- Clear the hallways and remain in room or area until the "All Clear" is announced
- Do business as usual

Adults

- Bring everyone indoors
- Lock outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

Typical hazards: Medical incident, suspicious person or intruder, fights, suspected weapon, other unsafe condition

What are the *Standard Response Protocols*?

Hold in Place

**Now: Lockout
SY23: "Secure"**

Lockdown

Evacuate

Typical hazards: Fire or smoke inside, gas odor

What are the *Standard Response Protocols*?

Hold in Place

Now: Lockout
SY23: “Secure”

Lockdown

Evacuate

Shelter

Students

- Use appropriate safety strategy for the hazard

Adults

- Lead safety strategy
- Account for students and adults
- Notify if missing, extra or injured students or adults

Typical hazards: Severe weather, hazardous materials

Important note!

Hold in Place

Lockdown

Typical hazards may be the same: Medical incident, suspicious person or intruder, fights, suspected weapon, other unsafe condition

A **Hold in Place** or **Lockdown** does not necessarily mean a violent condition exists. These are often used to protect while information is being gathered.

Important note!

Hold in Place

Lockdown

Information we receive is not always accurate at first.

Safety Drills

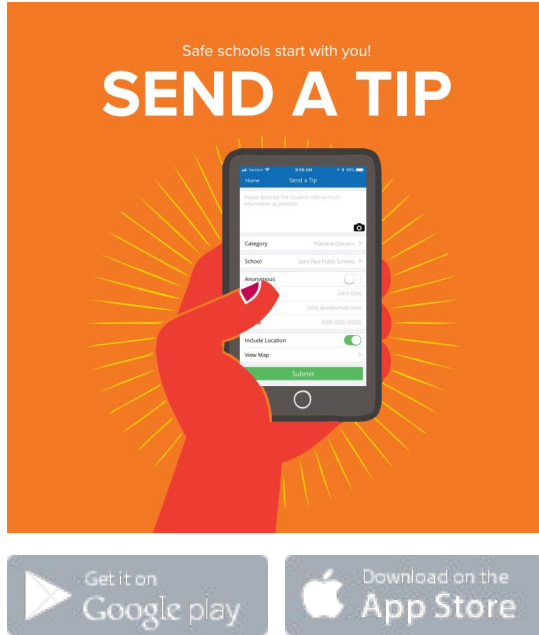

State Law requires us to practice

5 Lockdown

5 Evacuation

1 Severe Weather

Tip Reporting

Created for students
Anonymous or not, you choose!
