## Welcome to Las Palmas Elementary School!

We are a “No Excuses” school, which means: *We are committed to creating a school that knows no limits to the academic success of each student.* During Parent/Teacher Conferences, we will ask each parent to sign the School-Parent Compact (located on the next page) to demonstrate everyone’s commitment to the No Excuses Philosophy. We are looking forward to working with you during the 2023-2024 school year.

Please *review* the information in this handbook **carefully**. It has been prepared to help answer many of the questions that students and parents often have about school procedures and policies. We ask that you support these policies and procedures and reinforce them with your children. They are designed to create a sound and safe learning environment in which each child can develop to his/her full potential. After reading and discussing the information in this handbook, **please sign the required pages and return them to your child’s classroom teacher.**

Again, welcome to Las Palmas Elementary! We look forward to meeting and working with you.

# LAS PALMAS SCHOOL INFORMATION AND PROCEDURES

**Read carefully and discuss this information with your child/children.**

► **COVID 19 PROTECTIONS AND PROCEDURES:** Masking is optional for students and adults.

## ► **ACADEMICS**

Our goal is for all students to achieve academic excellence by meeting grade level standards at the end of the school year as measured by the state, program and classroom assessments and to be College and Career ready.

## ► **AERIES, ADDRESSES AND TELEPHONE NUMBERS**

**It is very important** that all students' information is up-to-date at all times. If you have moved or have changed your home or work telephone number, please notify the office **immediately** about the changes. Also, please inform us if there are changes in the emergency telephone numbers of people to contact if you are not available. In case of an emergency, we need current information. All custody court orders must be current with our office.

## ► **AFTER SCHOOL PICK UP/METHOD HOME (Please also read DROP OFF/PICK UP ZONES section)**

Parents are responsible for picking up their children on time. Please make arrangements with your children prior to the start of the school day. **Office Staff does not provide after school supervision.** Please pick up your students **ON TIME**. Students in grades K-1 may not be dismissed without a parent, guardian or older sibling. Picking up your child late will jeopardize their spot at school if they are outside of school boundaries or on an IntraDistrict Agreement. Students left beyond school hours are considered abandoned. Office staff will either call the Police Department or Child Protective Services to take possession of your child.

## ► **APPROPRIATE APPEARANCE AND DRESS FOR SCHOOL**

Each student's appearance is primarily the responsibility of his/her parents. However, the school expects that each student's dress and cleanliness reflect a sensitivity to and respect for others. Clothing should not be distracting or offensive to staff or to other students. This is the time to begin teaching your child that dressing for play is different from dressing for school.

The Education Code which applies to both girls and boys is as follows:  
*Any dress, grooming, or appearance which tends to disrupt the educational process, or affect the health and safety of individuals shall be prohibited. (E.C. 48900)(k).*

**Please review the following district-wide guidelines with your child:**

[Dress Code BP 5132](#)

[Dress Code BP 5132 AR](#)

**Las Palmas includes the following guidelines for student dress:**

1. While shoes must be worn at all times, rubber thongs (flip flops) or “heelys” are **NOT** appropriate. Sandals need to have a back strap.
2. Shorts can be worn throughout the school year, but must meet the district guidelines.
3. Laces on shoes should be tied at all times.
4. No hats, hoodies, and sunglasses should be worn inside the classroom.
5. No distracting or excessive markings.
6. Halter tops, tank tops with straps less than 2 in. wide, and tops that show bare midriffs are not acceptable.
7. Pants with tears/holes on the thigh and/or under the buttocks should be worn with leggings or shorts underneath.

If you have any particular questions about how your child should dress for school, please feel free to contact the teacher or the administration.

**►ARRIVAL AND SCHOOL SCHEDULES**

Playground supervision is provided for all students beginning at **7:15 am** via Gate G. Students should arrive at **school no later than 7:55 AM**. Breakfast is served from 7:30am -7:55am. Any student wishing to eat breakfast may go to the cafeteria during this time. \* **Please note that only students and staff may enter the kitchen or cafeteria.**

**►ASSESSMENT**

California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

**The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:**

- **California Assessment of Student Performance and Progress**  
These computer adaptive assessments are aligned with the Common Core State Standards (CCSS). English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.
- **California Science Tests (CAST)**  
The computer-based CAST measures students’ achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).
- **California Alternate Assessments (CAAs)**  
Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration

of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors. Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks in spring 2019.

Pursuant to California *Education Code* Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments.

### **English Language Proficiency Assessments for California**

The English Language Proficiency Assessments for California (ELPAC) is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students' English language proficiency level and to measure their progress in learning English in the skill areas of reading, writing, listening and speaking.

### **Physical Fitness Test**

The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

### **iReady Assessment (Local Assessment)**

These computer adaptive assessments are aligned with the Common Core State Standards (CCSS). English language arts/literacy (ELA) and mathematics tests are administered at all grade levels and provide information regarding the student's grade level status. This assessment is administered in English and Spanish.

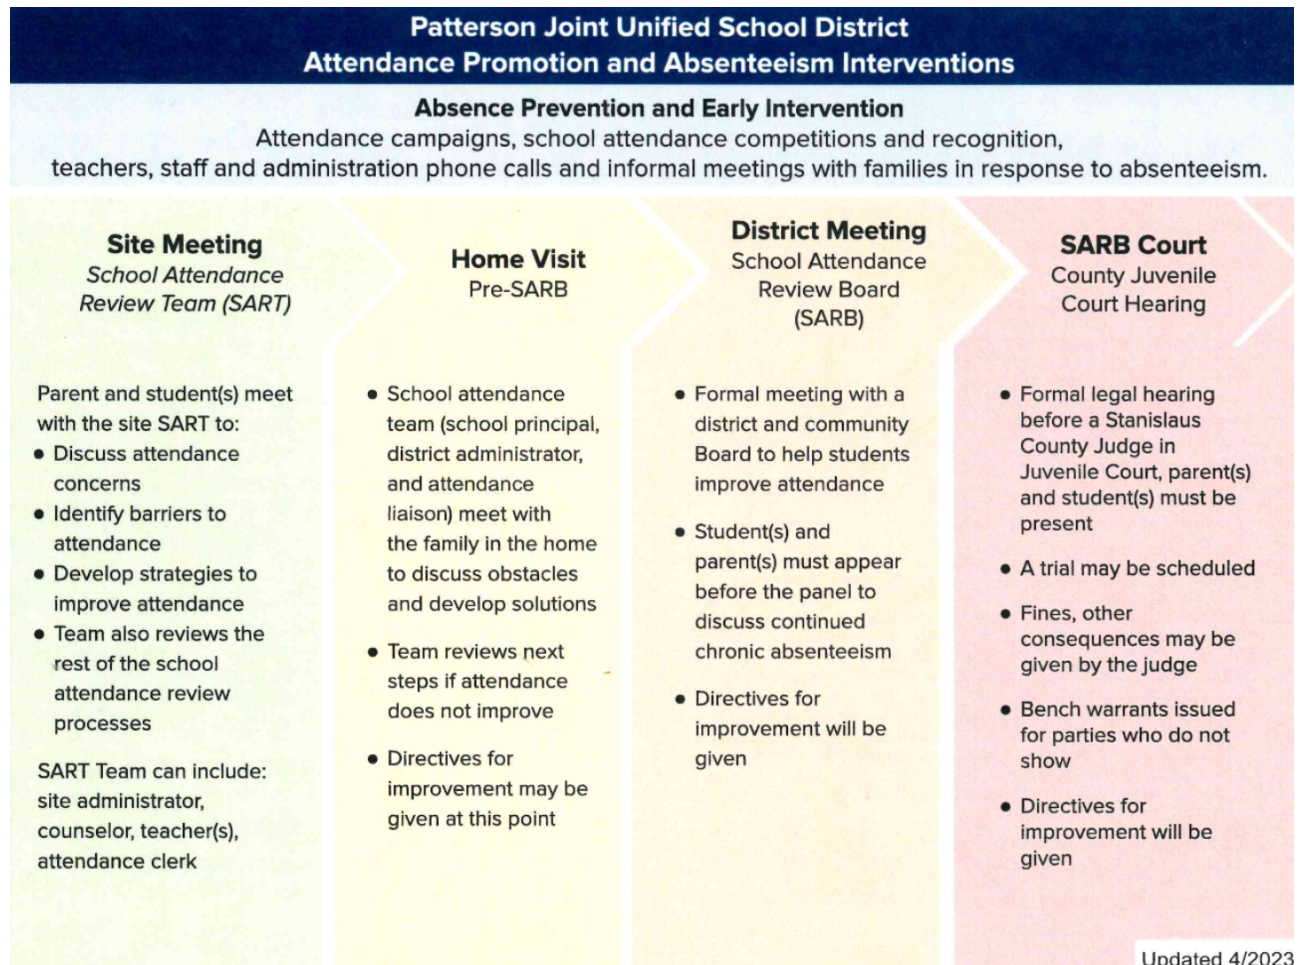

### **► ATTENDANCE, STUDENT ABSENCE AND TARDIES**

**We recognize that there are times when a student must be absent, and reiterate the importance of keeping your child/children home if they're not feeling well (and certainly if they are running a temperature), please contact the school office by phone or written note any time your child will be absent from school. Notifying your child's teacher is not sufficient.**

One of the important factors in school success is regular attendance. Attendance plays an important role in student achievement and class participation is an integral part of a student's learning experiences, whether it's in person learning, hybrid or distance learning. PJUSD's policy recognizes the responsibility of parents/guardians to ensure that their children attend school, abide by state laws and use appropriate legal means to correct the problems of excessive absenteeism and truancy (Board Policy 5113). **After 3 days of absences due to illness, a doctor's note will be required.** Absence from school shall

be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law, Board policy, and administrative regulation (Education Code [48205](#)) but it is not excused for perfect attendance awards.

**\*Attendance, tardiness and leaving early are monitored carefully.** Conferences will be requested when students have excessive absences, tardies, truancies, or early check out. Automated letters are sent out for excessive absences or tardies. The Attendance Review Process will be followed when students have excessive absences, tardies, or truancies. Continued excessive absences, tardies, or truancies will be referred to SART (School Attendance Review Team) or SARB (School Attendance Review Board), please see graphic below.

**NO BULLY ZONE!**

In order to make Las Palmas Elementary an even better place for students to grow and learn, we have a “No Bully Zone” initiative.

**►What's bullying?**

Bullying can take a variety of forms, from verbal to physical to the Internet. Below is a brief listing of the various types of bullying.

- Name calling
- Hitting, pinching, biting, pushing and shoving
- Stealing
- Verbal, instant message or email threats
- Isolating a person
- Spreading rumors
- Intimidation
- Making silent or abusive phone calls
- Posting threats, false statements or other harmful information about a person on a website

**►BULLYING: PEER ABUSE IN SCHOOL**

Bullying of a student by another student is strictly prohibited on school property, in school buildings, on school buses, and at school sponsored events. For purposes of this policy, the term “bullying” among children is defined: **(1) Bullying means any severe or pervasive physical or verbal act or misconduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:** (A) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property. (B) Causing a reasonable pupil to experience a substantially detrimental effect to his or her physical or mental health.

(C) Causing a reasonable pupil to experience substantial interference with his or her academic performance. (D) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

We also prohibit “Internet bullying” (also referred to as “cyber-bullying”) including the use of instant messaging, email, websites, chat rooms, and text messaging when such use interferes with the operation of the school; or infringes upon the general health, safety and welfare of students or school employees.

### ► **Bullying: Its impact**

All too often, someone will say that bullying is no big deal or just a stage of growing up. Both are false myths that can take a toll on the victim of bullying.

Bullying can lead to increased absences from school that can have dangerous academic repercussions in today’s increasingly demanding education environment.

Additionally, the US Health and Human Services Administration reports that as they advance through the school system, victims of bullying are more likely than their peers to:

- Drop out of school
- Drink alcohol
- Begin smoking
- Be involved in fighting

For those that bully, the result can be equally disturbing. Sixty percent of boys who were bullies in middle school had at least one criminal conviction by the age of 24, the administration reported.

### ► **Bullying: Parents tips**

Encourage your child to share his or her problems with you, understanding that this may embarrass them. Assure them that they are not going to face the problem alone.

- Encourage your child to take part in activities, such as sports, clubs or civic groups
- Help your child with his social skills
- Praise your child often
- Keep in contact with your child's teachers
- Keep a record of the bullying episodes and your contact with the school about the issue.
- Help your child make friends

**NOTE:** Please help your student understand what true bullying is, as false reports will make it difficult for school officials to address bullying in an effective manner.

### ► **Bullying: Tips for students**

If you are being bullied, you can do something about it. You shouldn’t be afraid to ask a trusted adult — whether it’s a teacher, parent or adult friend — for help. If you are being bullied, please notify an adult immediately.

CICO (PBIS mentor): At Las Palmas, we refer students that are struggling with behavior or who need an adult mentor to our Check In, Check Out program. Students check in with their designated staff member at the beginning of the day to set a goal and at the end of the day to discuss how their day went. At the end of the week, they discuss if the student met their goal.

Buddy Bench: There are buddy benches installed on each playground in an effort to help students make friends that will help them and include them in activities during recess.

Classroom Morning Meetings: These meetings go on throughout the year to help address bullying and any other issues that may come up on the playground or in the classroom.

**NOTE:** Students, please be sure to report true cases of bullying.

### ► **CAFETERIA SERVICES**

All students will receive a free lunch this school year. A new application must still be completed each year for every student regardless if they qualify for free and reduced-priced meals. This information is used to assist families by offering breakfast and lunch to students who qualify and to collect information regarding the school's percentage of free and reduced lunch applications. A link to the application outlining the free and reduced meal program is distributed to all students and families each year as required by the State and Federal Government. For more information regarding this program, please contact the main cafeteria at: 209-892-3702.

### ► **CALIFORNIA HEALTHY KIDS SURVEY (Grades 3-6 ONLY)**

Your child is being asked to be a part of our school's California Healthy Kids Survey (CHKS), sponsored by the California Department of Education (CDE). This is a very important survey that will help promote better health and well-being among our youth, improve the school learning environment, and combat problems such as drug abuse and violence. *Your child does not have to take the survey. Participation is voluntary and requires your permission.*

Survey Content: The survey gathers information on developmental supports provided to youth; school connectedness and barriers to learning, as well as behaviors such as physical activity and nutritional habits; alcohol, tobacco and other drug use; and school safety. The results from this survey are compiled into district- and county-level CHKS Reports. To view a copy of your district's report, go to <https://calschls.org/reports-data/search-lea-reports/> (Outside Source) and type in the district name. It is voluntary. Students who, with your permission, agree to participate do not have to answer any questions they do not want to answer, and may stop taking the survey at any time. It is anonymous. No names are recorded or attached to the survey forms or data. The results will be made available for analysis only under strict confidentiality controls.

Permission form will be sent in a separate file so you can return to your child's teacher.

### ► **CELL PHONE/SMART WATCH USE**

Cell phone use is **NOT PERMITTED** during school hours. Students are permitted to use school phones for emergencies only. **Special arrangements for out of school activities or for transportation should be made prior to school.** Forgetting homework is not deemed an emergency. Students requesting use of the phones to call home after school are asked to wait 15 minutes after the final bell before calling.

### ► **CLASSROOM ASSIGNMENTS**

Our focus is to maximize every student's potential and ability. Because students learn at a different pace throughout their development, we work very hard to balance the classrooms to provide the best educational setting for each child. **Requests for specific teachers will not be honored.**

### ► **CLASSROOM VISITATIONS-please also read Parent Volunteer section**

We encourage parents to provide a 24 hour notification prior to visiting the school or classroom. All visitors must check in at the office before entering the school grounds or before going to the classroom. You will need your ID or Driver's license to check in. A "pass" will be provided for approved visitors. Parent involvement and assistance in all classrooms is encouraged and appreciated, upon TB test clearance, COVID vaccination verification and Parent Volunteer Form is filled out and on file. Students are not permitted to bring student guests to spend the day.

### ► **CLOSED CAMPUS/LOCKED GATES**

Besides the front entrance, there are designated gates for entering and departing our school grounds. These designated gates will be **opened from 7:30 to 8:00 and only gate G opens at 7:15 am.** Please do not drop off students before gates are open, as there is no supervision available. At 8:00 am, the gates will be locked and all students will need to come through Gate C or the office to get a late slip. Gates will open after school from 2:40 to 2:55. On early dismissal and minimum days, they will be unlocked at the dismissal bell and locked 15 min. after. **Parents/guardians are not allowed on campus before or after school. If you have an appointment with a teacher, you must check in the office first before going on campus.**

### ► **COMMUNICATIONS HOME-SCHOOL - CONTACTING A TEACHER**

Teachers welcome your notes, calls and emails. They are usually available to accept phone calls after school. The office will take messages anytime, and the teacher will return the call as soon as it is practical. Since teachers share after school duties and participate on committees or have meetings, your understanding is appreciated if the call is not returned the same day. Often the fastest way to communicate with a teacher is through **email.** We send all information primarily through Parent Square and Peach Jar (digital flyers sent directly to parents via email) and monthly newsletters. Information will also be shared through our school website, Facebook page, and direct phone messages. Occasionally, K-6 students will take home a home-school communication folder that will contain important information and forms. Be sure to check your child's backpack for this folder and to complete and return the forms that are due back the next day.

**\*Classroom Concern:** If you are concerned about a classroom related issue, our protocol is that you talk to the teacher first. Besides you, the teacher has the most direct contact with your child. If the situation is still not resolved, you are welcome to make an appointment to talk with an administrator.

### ► **CONFISCATED ITEMS**

Any confiscated item (depending on the item) may be retrieved from the Office at the end of the day by the student. On the second offense, a parent must come to pick up the item. After the third time, the item will be kept in the office until the end of the school year and may be picked up on the last day of school.

### ► **REFERRAL POLICY**

The teachers and administration have developed a policy which focuses on the student and helping to change behavior when it conflicts with the instruction in the classroom or out on the playground.

## School-Wide Rules

**Be Responsible    Be Respectful    Be Safe    Be Kind**

The school policy generally follows this routine:

- The classroom teacher sets up class rules and procedures, including consequences for behavior.
- Below is a matrix that we follow based on our PBIS tiers of support.

| Observe Behavior  |  |  |   |
|---|--|--|---|
| Is the behavior a minor or major offense?   |  |  |   |
|   | Minor Offense  | Major Offense  |   |
| 1. Redirect/Reteach   | <ul style="list-style-type: none"> <li>• Disrespect</li> <li>• Defiance</li> <li>• Inappropriate language</li> <li>• Physical contact</li> <li>• Technology violation</li> <li>• Property misuse</li> <li>• Inappropriate bathroom behavior</li> <li>• Inappropriate playground behavior</li> <li>• Disruptive behavior</li> </ul> | <ul style="list-style-type: none"> <li>• Fighting/ assault</li> <li>• Stealing</li> <li>• Harassment</li> <li>• Weapons</li> <li>• Bullying</li> <li>• Threats</li> <li>• Vandalism</li> <li>• Disrespect/ Insubordination</li> <li>• Inappropriate/ abusive language</li> <li>• Continual minor behavior</li> </ul> | 1. Office referral  |
| 2. Redirect/Reteach<br>Time out in classroom<br>(take a break/reset)  |  |  | 2. Conference with Administrator                          |
| 3. Time out in a buddy room/loss of privilege and contact parent  |  |  | 3. Alternative consequences and parent contact            |
| 4. SWIS citation/loss of privilege & contact parent, reteach expectations                                     |  |  | 4. Consequences will be given with progressive discipline |
| 5. If behavior continues and student receives at least 3 minor citations for the same offense-office referral |  |  | 5. Offense will be recorded                               |
| 6. If behavior is not improving refer to team-fill out request for assistance document                        |  |  |   |

Please note...

All major and minor offenses should be reported to the student's classroom teacher  
 Everyday starts with a clean slate  
 If you are giving a consequence, you need to log it as a minor

- The student may be referred to the principal or assistant principal if the regular classroom measures have not changed the behavior.
- The principal will have a conference with the student. If necessary, the parent will be called and a referral sent home.
- A behavior contract may be developed following a conference with the parents.
- **Suspension** results when there is a serious infraction of Education Code 48900, which includes a number of specific infractions. [Ed Code for suspensions](#). See [District Board Policy](#)

- **Expulsion** is the most serious consequence, as it denies the student the privilege of attending Las Palmas Elementary and possibly any school in PJUSD. [Ed code for expulsions. District Board Policy-Suspension/Expulsion](#)

### ► **REFERRAL POLICY**

Referrals are issued for violations of [Education Code 48900 \(A-O\)](#) and for infractions of school rules. Students are seen by the assistant principal or principal for every referral. Phone calls to parents will be attempted either by the staff member reporting the violation or an administrator.

The following consequence options for referrals are assigned to the student by the administrator handling the referral. We wish to use the most effective intervention: they are arranged below by increasing seriousness. There are Education Code offenses for which students may be suspended or considered for expulsion, even on first referral.

- **Parent Contact:** Phone call, or if unable to reach anyone, a message or note may be sent home with the student. If no response is made, a letter will be mailed home.
- **Rethink Sheet:** Student will fill in a brief rethink sheet regarding the infraction. Students may have to spend recess time completing the assignment. They are supervised by a school employee. If students misbehave during this consequence, teachers are notified. If misbehavior continues on subsequent days, referral may be written to the office.
- **Lunch Detention:** Students sit in the office or outside the office during lunch recess and may have to eat lunch in the office. If students misbehave during this consequence, they may be asked to pick up trash in the cafeteria or a referral may be written.
- **"Time/Break":** Relocation of a student to another teacher's room for the duration of a particular activity or short time frame. The student follows the schedule of the room to which he or she is relocated. This may occur with or without referral. If a student misbehaves during this consequence, additional restriction will occur; suspension or parent may be asked to pick up his/her child early.
- **Campus Beautification:** Students are assigned to sweep sidewalks or pick up campus litter after they have finished eating lunch. The noon supervisor verifies that the child performed the work. If a student misbehaves during this consequence, further restriction will be assigned.
- **Suspension:** A suspension is removal from school for up to 5 days at a time. They are earned for violations of [Education Code 48900](#). Suspensions are formal, legal documents and may only be imposed for up to 20 days in one school year. There are 5 areas for which students may be suspended on the first offense. Suspensions may not be appealed, but a conference may be requested of the parent. State law requires parents to attend such a conference for each suspension.
- **Behavior Contract:** When detention, conferencing, restriction and suspension have failed to bring about the desired improvement in behavior, these contracts are used by administrators as a last resort before placing a student before the Board of Education for expulsion. These are signed by both the student and the parent and may be part of an SST process. Usually full campus restriction is an automatic part of such a contract. This document may also be used in a limited fashion when

adults see a pattern of continued aggression developing between two students. Students are asked to agree that they will have no contact with each other.

- **Expulsion:** Expulsion is the removal of a student from the school district for up to one year for serious or continued violations or [Education Code 48900](#). These occur after a formal hearing before the Board of Education. Expulsions may be appealed to the County Board of Education.

***\*\*Please refer to the [PJUSD Student Conduct Code](#) for more information about Discipline policies and procedures in place at all schools.***

These trips are planned to ensure student safety in addition to increasing student understanding. Ideally all students will be able to participate in field trips. In order to reinforce our expectations of students and promote a positive experience for all, the trips will be made available to those students who have demonstrated good citizenship and responsibility. The school assumes a significant responsibility in taking these trips. A student's school behavior prior to the trip must be cooperative and positive in order to be eligible for the field trip.

\*Students not attending field trips are expected to be at school. \*Parents/Guardians will be informed at least **two weeks prior** to the event that their son/daughter is in danger of losing the opportunity to participate in a school trip.

during the provided window in the morning and return during the window in the afternoon. ## **Consent for the California Healthy Kids Survey 2023-24 School Year**

Dear Parent or Guardian:

Your child is being asked to be a part of our school's California Healthy Kids Survey (CHKS), sponsored by the California Department of Education. This is a very important survey that will help promote better health and well-being among our youth, improve the school learning environment, and combat problems such as drug abuse and violence. *Your child does not have to take the survey. Participation is voluntary, but highly encouraged and requires your permission.*

**Survey Content.** The survey gathers information on developmental supports provided to youth; school connectedness and barriers to learning; school safety; and health-related concerns such as physical activity and nutritional habits; alcohol, tobacco and other drug use; and risk of depression and suicide and perceived sexual orientation. You may examine the questionnaire in the school office or in your child's google classroom. The results from this survey are compiled into district- and county-level CHKS Reports. To view a copy of your district's report, go to <https://calschls.org/reports-data/search-lea-reports/> (Outside Source) and type in the district name.

**It is Voluntary.** Students who, with your permission, agree to participate do not have to answer any questions they do not want to answer, and may stop taking the survey at any time.

**It is Anonymous.** No names are recorded or attached to the survey forms or data. The results will be made available for analysis only under strict confidentiality controls.

**Administration.** The survey will be administered in class. It will take about 50 minutes to complete..

**Potential Risks.** There are no known risks of physical harm to your child. Risks of psychological or social harm are very small. None have been reported in 20 years of survey administration. In rare instances, some discomfort might be experienced from the questions. The school's counseling services will be available to answer any personal questions that may materialize.

**For Further Information.** The survey was developed by WestEd, a public, non-profit educational institution. If you have any questions about this survey, or about your rights, call the district at (209)895-7700 and ask for Ken Fitzgerald.
