OUR VISION

A model school district
in service of students,
staff, and community

The following SDO pillars organize our ongoing, continuous improvement work at both the district and school levels over the long-term. Listed as bullets under each pillar are the recommended 5-year strategic objectives for SDO.

We will articulate key action steps on an annual basis within this five-year cycle to:

- A. Live our mission and accomplish the 5-year strategic objectives
- B. Advance our vision for student learning and organizational excellence

Staff Recruitment, Development, and Retention

- » Create a diverse school community through intentional recruitment, competitive compensation, mentoring, collaboration, and active engagement in professional development.

Finance, Facilities, and Operations Stewardship

- » Align all resources with district priorities in an equitable and responsible manner.

WHO WE ARE

Established on the ancestral lands of the Ho-Chunk People, Onalaska exudes a small town feel with a proximity to larger urban amenities. We are nestled within a community that is incredibly supportive of its public schools. Our students consistently exceed expectations academically and participate in a wide variety of co-curricular offerings.

We pride ourselves on establishing and maintaining strong relationships between our students, staff, families, school board, and the broader community in support of our goals and objectives. Please feel free to reach out if you are interested in touring our facilities or have any questions, comments, celebrations, or concerns.

Thank you,
Todd L Antony, Superintendent
