

# We Take Kids' Math Skills to the Next Level.

Report cards are coming out, and parent-teacher conferences are being held. So what's next? Does your child need help catching up in math? Do they want to keep up with new concepts? Are they already ahead and in need of more challenging material? Mathnasium offers personalized instruction based on each child's learning needs and goals, for improved math skills and greater confidence overall.

[Schedule a Free Assessment](#)

#### Your child will receive:

- A customized learning plan detailing the specific concepts they need to work on, for success this school year and beyond
- Face-to-face instruction in a fun and engaging learning environment, both in-center and online
- A proven teaching method that not only improves grades and scores but also teaches students how to solve problems and work independently

[Contact us](#) today at (717) 500-2940 for a free assessment and more information!

Our parents say it best:

*"Learning and having fun in the process! What more could you ask for?  
Thank you Mathnasium of Hershey"*

— Parent of 2nd grader at St. Joan of Arc School

*"This has been one of the best decisions we have made. Our child's grade has gone from a C- to an A in one marking period"*

— Parent of 9th grader at Hershey HS
