2023 Distribution Certification

This program is administered by Salt Lake Education Foundation on behalf of KSL's Quarters for Christmas. As a stipulation of this grant, all funds must be used to purchase department store gift cards, valued at \$50 each, and distributed to families of students in need no later than December 22, 2023. The gift cards are only to be used for clothing, shoes, and/or coats for children. As an alternative method, new clothing, shoes, and/or coats may be purchased and given to your students in lieu of the gift cards.

To be completed by a district or charter school administrator (after gift distribution):

I certify that I received a check in the amount of \$_____ from Salt Lake Education Foundation, which was used to purchase department store gift cards, valued at \$50 each, and distributed to families of students in need for the purchase of clothing, shoes, and/or coats for children; or, as an alternative method, new clothing, shoes, and/or coats were purchased by school staff and distributed in lieu of the gift cards to students in need.
