November

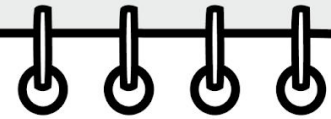

CLASSROOM NEWS

Math- We are finishing unit 3 and will begin unit 4 division. In this unit, students will be working on multiplying larger numbers and finding the area and perimeter of objects.

Reading- We will be finishing our 3rd unit where students will be looking at the text structures and text features to determine important information and make inferences.

Writing- We are finishing our informational writing unit on different Native American tribes. We will be practicing responding to reading prompts using RACES. We will also begin our opinion writing unit.

Science/Social Studies- Our Social Studies unit will be focusing on Native American tribes indigenous to Colorado and how they adapted to our environment. As we wrap up this unit, we will move into Science where students will be learning about weathering and erosion.
