NOVEMBER ISSUE

"AS FAR AS THE EYE CAN SEE. AS FAR AS THE MIND CAN REACH."

Message From the Admins:

Horizonte Instruction and Training Center youth and adult students ventured out to the Great Salt Lake to observe the fragile ecosystem and declining lake levels. A big thanks to the @friendsofgreatsaltlake for donating binoculars to observe wildlife, magnifying glasses to examine the brine shrimp, and covering our entrance fees! We are so grateful for our partnerships with community organizations.

Straight Out of The Counseling Center:

The counseling department would like to thank all of those who participated in our Red Ribbon Week campaign to live a drug free lifestyle. Students learned about the dangers of Fentanyl and how to live a naturally high life free of substances. We continue to meet with families in an effort to help our students succeed. If you would like to schedule an appointment with your counselor, please call 801-578-8574.

Meet Our School Therapist:

My name is Treshain Elerson, and I am the therapist here at Horizonte through Odyssey House. I'm here to provide mental health services over a variety of topics to the students here, including things such as depression, anxiety, and trauma. There is no cost to my services, and I am able to see my clients during the school day. If you or anyone you know is struggling with something and would like to talk to a therapist about it (or if you have any questions about what I do), please talk to your counselor.

Morning News From the Adult Ed.:

Update from the ELA Department:

We are wrapping up T2 which means there is so much reading and writing happening! Our students have been focused on explaining, describing and elaborating with a variety of texts, these skills will help our students with writing essays and developing research papers. Our focus skills for the next term include: Compare and Contrast Writing a multi-paragraph essay or research paper and establishing a strong claim throughout the writing process.

Horizonte Library:

21st CENTURY SKILLS

This month the librarian is focused on collaborating with teachers to apply research skills, software skills, and digital citizenship skills to the work they are already doing in their classrooms! Some topics that will be covered include How to Google Search Effectively, Adobe Express 101, Library Databases for Authentic Research, and Research Project Bootcamp. At Horizonte we are committed to ensuring our students leave here with the 21st Century skills needed to become productive digital citizens!
