Principal's Message

This has been a great year to be a Warrior! Our students have had incredible accomplishments this year in Athletics and Activities, and this has definitely been one of our most successful fall seasons. The CHS marching band just captured the 4A State Championship, which was a well deserved accomplishment showcasing their skill and dedication. The hard work of our students and the leadership of Aarron Vogelsberg has put our Marching Band back where it belongs- on top of the state.

In other great news, our Football team, Boys Soccer, Boys Tennis, and Boys Cross Country all secured league championships titles this fall. In addition, all of our programs including the Centaurus Girls Cross Country, Softball, Boys Golf, Girls volleyball, Mountain Biking Team, Ultimate Frisbee, ESports, Choir, Orchestra, Theater, Cheer and Poms all had strong seasons showcasing both individual and team effort and accomplishments. We are proud of all of our Warriors who represented our school and community this fall.

Our Boys Soccer team and Football team are currently in the playoffs, and I highly encourage you to come out and cheer them on this weekend. Boys soccer plays at 12:00 on Saturday,

11/4, at Centaurus, and Football travels to Windsor High School for a 3:00 game also on Saturday, 11/4.

Go Warriors!

Daniel Ryan
Principal

What you need to know

Congratulations- CHS AP Spanish students

Congratulations to the following CHS AP Spanish students who were recognized by the City of Lafayette for their original, Spanish language poems in the annual See and Respond art and poetry contest. These students were honored along with other community members this past Saturday at the Lafayette Public Library. Along with this recognition, they also received cash prizes!

Congratulations to the grand prize winner Leo Medina Espinoza and to the honorable mention poets Emerson Bell, Kate Ernst, and Dmitriy Kazantsev. Way to show up for your community and represent Centaurus!

News from Food Services

Free meals are still free, but the payment system is changing! Please be advised that on November 13th, the Food Services Department will be switching software systems from MyPaymentsPlus to [School Cafe](#). If you have a balance on your account it will automatically transfer into School Cafe on the 13th. Meal account funds are not necessary for your student to receive a free breakfast and lunch every day, but are necessary to purchase items like second entrees, a la carte items, and side salads. Starting on November 13th, if you would like to add money to your student's meal account, you will have to create a School Cafe account and do it there. Beginning on November 11th, MyPaymentsPlus will turn off and it will not be possible to add funds to your student's account.

Please see the resources below to help with the transition.

Getting to know your Centaurus Team

FACS - Sheryl Thorne

Hello amazing Warrior Families!! I am Sheryl Thorne and have been teaching for 9 years. Six of those years have been at Centaurus HS. I can't imagine teaching at any other school. I have been married for 26 years to my husband Lester. We have three amazing children Colten, Victoria and Taylor. We love to travel and are avid LSU and Disney fans. I am a Louisiana native and have lived in Colorado since May 2001. My family and I love it here! Colorado is our home. I teach Culinary Essentials, Interpersonal Relationships, some Social Studies classes from time to time and am the head cheer coach. I absolutely love teaching! One of the things I love most is getting our students ready for life after high school. One of the most cherished things about teaching is keeping in touch with former students and seeing them thrive. Once a Warrior Always a Warrior.
