

SESSIONS

5:00 pm	College Credit Plus (CCP) (25 minutes) <i>Presented by: Christina Jeranek, Winton Woods High School Counselor</i>	<u>Location: Media Center A</u>
	Learn what CCP is and how your student can begin to earn college credits as early as eighth grade.	
5:00 pm	English As A Second Language (ESL) (55 minutes) <i>Presented by: Gary Giblin, ESL Coordinator and Lisa Giblin, Language Teacher</i>	<u>Location: Media Center B</u>
	Our ESL program is based on the Ohio English Language Proficiency standards and serves all grades. Each school has at least two ESL instructors, and in some cases even more. Teachers use the Keystone/Cornerstone series to teach basic English to newcomers as well as advanced English to those students who are nearly proficient. In addition, classroom teachers are guided on how to adapt their curricula to the needs of English Learners in every grade.	
5:30 pm	Graduation Requirements <i>Presented by: Amber Strawser, Winton Woods High School Assistant Principal</i>	<u>Location: Main Library</u>
	Parents will receive an overview of the graduation requirements for their high school student.	
5:30 pm	Tech Goes Home for 7th Grade (25 min) <i>Presented by: Rhonda Hobbs, Director of Technology and Doug Sanker, Winton Woods Middle School Principal</i>	<u>Location: Media Center A</u>
	Seventh-grade parents will learn more about the process and expectations for our Tech Goes Home program.	
6:00 pm	8th Grade Transition (25 minutes) <i>Presented by: Brad Tash and Kim Goins, High School Guidance Counselors</i>	<u>Location: Main Library</u>
	Eighth-grade parents will learn more about the transition from middle school to high school.	
6:00 pm	College Financial Aid (25 minutes) <i>Presented by: Diana Irving, UC Blue Ash Office of Financial Aid</i>	<u>Location: Media Center A</u>
	Learn the A, B, Cs of college financial aid from an expert.	
6:30 pm	Project-Based Learning and ECHO (25 minutes) <i>Presented by: Natombi Simpson and Brennan Graham, Project-Based Learning Coaches</i>	<u>Location: Media Center A</u>
	What is project-based learning? What did you learn today? Nothing? Sound like a familiar conversation at home? Learn for yourself how to see the content and lessons your child has on their agenda for the day, as well as when homework, tests, quizzes and projects are due. Don't be surprised when the report card comes home. Know your child's grades before they become final on the report card.	
6:30 pm	STEM for Parents: Your Questions Answered (25 minutes) <i>Presented by: Dr. Tamra Ragland, Director of Teaching and Learning (Gr. 7-12) and Brad Cininowasielewski, Science Teacher</i>	<u>Location: Media Center B</u>
	This session will discuss and support various ways parents can strengthen and support their child and guide them through educational decisions related to 7-12 STEM preparation and career choice.	
7:00 pm	NCAA Initial Eligibility (25 minutes) <i>Presented by: Brad Corbin, Miami University Athletic Compliance Office</i>	<u>Location: Media Center</u>
	Is your child a potential college athlete? Learn NOW what he/she must do academically to be eligible to participate in NCAA Athletics.	

save the date
