

## 2023-24 Family Academy

Through essential conversations and authentic partnership, we can increase scholar success.

### Together, we can accomplish anything.

We know that schools can't do it alone. Partnership with families is an essential and valuable asset that can greatly impact scholar success.

Federal Way Public Schools is proud to offer Family Academy, a series of individual sessions for PK-12 families to connect with other parents, school staff, and community organizations around important topics linked to scholar success.

Attend the sessions in-person or via Zoom, and select theme-centered micro workshops aligned to your needs and interests. Your participation and input can help shape the future of Federal Way Public Schools!

**Dinner, childcare for children 5 and older, and interpreter services are provided.**
