The Beacon Scholarship is being offered for the 2024-2025 school year. These scholarships are designed to recognize promising leaders who embody our school mission to fully prepare students for lives of significant impact and influence. We intentionally seek to recognize students who will make a positive impact during their years enrolled with us.

Application Components:

1. Application
2. Essay
3. Teacher Recommendations
 - a. **New Students:** You are not required to obtain additional teacher recommendation forms. We will use the ones that are supplied with your school application.
 - b. **Current Students:** The two recommendation forms found at the bottom of this application are required to be submitted by the deadline.
4. **Interview for New Students:** During your family interview, you will be asked questions specific to your Beacon Scholarship Application.

Scholarship Process:

- **For NEW students:** The application and essay should be submitted to scholarships@chca-oh.org. If you are applying for Freshman Early Decision, your application is due by December 1, 2023. Otherwise, your scholarship application must be submitted before your family interview.
- **For RETURNING CHCA 8th grade students:** The application (along with the teacher recommendation forms) must be submitted to scholarships@chca-oh.org by February 1, 2024. Applications will not be considered until all components (application, essay and teacher recommendations) are received at scholarships@chca-oh.org. No extensions given.
- Candidates will be considered based upon the overall strength of the application and potential for positive contribution to the CHCA community. The Scholarship Committee, comprised of CHCA administrators and staff, will determine the number of scholarships offered and award amounts.
- Scholarship recipients will be notified upon acceptance (for new students) or within four weeks of application (for returning eighth grade students).
- Students accepting The Beacon Scholarship must sign the scholarship acceptance agreement and submit their enrollment contract by the date specified on their award letter. By accepting the scholarship and submitting the enrollment contract, the scholarship recipient commits to be enrolled at CHCA for the upcoming year and the enrollment contract becomes a binding agreement, with exceptions made only for out of town relocations.
