## EMPLOYEE AND OCCUPANT NOTIFICATION OF ASBESTOS REMOVAL

New London High School  
490 Jefferson Avenue  
New London, CT 06320

### Summer 2021

There will be removal of asbestos containing materials (Pipe Insulation/Caulking and Glazing compounds, Floor tile and associated mastics, Damp-proofing/Vapor Barrier), adhesives, glue daubs from the New London High School for the purpose of "the renovate as new project". The process will begin on June 23, 2021 and be completed by August 15, 2021. **During this time period, there will be no students, staff or other children permitted in the Asbestos Regulated Area(s), or beyond the Hard Barriers. Students and staff can occupy the S-Wing and the STEM Building.** This notification will be posted at all entryways to the building.

The district contact person for this task/project will be Mr. Miguel Gautier, Jr. Director of Facilities for New London Public Schools. Mr. Gautier can be reached at (860) 941-8576. All environmental services will be provided by Fuss & O'Neill, Inc. They can be reached at (860) 646-2469, extension 5570.
