4. Eight state auditors were scheduled to come in on November 16, 17, and 18. All eight auditors came in on the first day. Only four came the following day and left at noon. We asked why/how we were chosen for the audit. The auditors could not tell us how the selection process worked and were wondering the same thing. We had a few recommendations. However, they said that we were better than most schools. This was a good learning experience as we were able to get good guidance on how to run our grant programs. This went from a scary experience to a rewarding experience. **ARRA Audit**

5. Last spring, we were told that the district would receive a 7.65% FICA rebate if the teachers took a pay freeze. Guidance came out this week on how to file the paperwork to receive that rebate – we may not be eligible for the rebate and may be in for a fight. **FICA Grant**
