Dear Parent or Guardian,

Our school district provides an English language program for students who need instruction in English as a Second Language (ESL). Based on our assessment of your child's English language skills, it has been determined that _____ is eligible for ESL services.

The ESL program offers a curriculum designed to teach students listening, speaking, reading and writing skills necessary for success in school. This instruction is provided daily for a period of no less than 30 minutes.

You, as a parent or guardian, have the right to decline these services but we feel participation in this program will help your child succeed in school. It must be understood that your child's academic progress may be limited should you decide against participation in this program.

Please fill out and return the form below. If you should have any questions or concerns, please contact me at 908-689-3212 ext.1173.

Sincerely,

Lizette Quinones (ESL Teacher)
