History of Revere Local School District

Region

The Connecticut Western Reserve was land claimed by Connecticut in the Northwest Territory in what is now northeastern Ohio. Early settlers called the territory "New Connecticut," but that name was later discarded in favor of "Western Reserve." In 1796, Connecticut sold that land to investors, eight investors from Suffield, Connecticut. These investors formed the Connecticut Land Company which then surveyed the land as well as encourage settlement.

Richfield

Township—In 1809 Lancelot Mays came to this area with his wife and built a log cabin on the property at 3600 & 3636 Broadview Road. The land belonged to Herman Oviatt who had purchased it from the Connecticut Land Company. In April of 1816, by the authority of the Commissioners of Portage County (to which Richfield belonged at the time) Richfield became its own township. The way it received its name has two versions: 1) it was given name Richfield due to the fertile soil that the area contained; 2) it was given the name Richfield due to the large amount of "Oxbalm" or "rich feed" available to feed cattle.

Schools—In 1816 Richfield Township built a building that served as town hall, church, court, social hall, and school house. Leamon Farnham, son of early settler John Farnhm, was the first teacher. In the coming years, Richfield had a number of one-room schools scattered throughout the township (i.e. West Richfield School—now part of the Masonic Temple, No. 2 School—on Hawkins Road). In 1914, Richfield combined all their local schools into one, Richfield High School, located on Rt. 303. The students were known as the Richfield Rockets.

Bath

Township—The first permanent settlers, Jonathan Hale and Jason Hammond came in 1810, and eight years after that, 1818, the township was officially organized. When the township first formed, the big question was what to call it. Jonathan Hale is alleged to have said, "Call it Jerusalem, Jericho, or Bath, or anything but Hammondsburgh (the name the township had become known as)." After a vote by the residents, the township was officially named Bath.

Schools—From 1877 to 1923, the township had 11 one-room schoolhouses (including Ira School, McAllister School, East Bath School, Hammond's Corners School, Ghent School and Bath Center School). In 1923, all of the one-room schools closed and the centrally located Bath School opened its doors. Bath School was a K-12 building located on the corner of Cleveland-Massillon and Bath Roads. The students were known as the Bath Buccaneers.

Revere

In 1949, discussions began between Bath and Richfield regarding the consolidation of their two school districts started. On November 14, 1949, Summit County Board of Education officially recognized the new system and named it the "Bath-Richfield Local School District. In the early part of 1950, The Bath-Richfield School Board supervised the purchase of 28 acres for the site of the new school at the intersection of Revere and Everett Roads. While the school was being built, high school students spent half a day at Bath School and half a day at Richfield School.

On October 5, 1950, the school board selected "Revere High School" as the name for the new school. The name—which was eventually also selected as the name of the school district—was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being build on. On November 13, 1950, the students voted Red, White, and Blue as the district's colors and "Minutemen" was selected as the mascot based on the inspiration of the new name of the school. On May 29, 1952 the first graduating class of the Revere Local School District held their commencement in the Richfield School auditorium.

History of Revere High School

Forming of the School and Early Days

In the early part of 1950, The Bath-Richfield School Board supervised the purchase of 28 acres for the site of the new school at the intersection of Revere and Everett Roads. On October 5, 1950, the school board selected "Revere High School" as the name for the new school. The name was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being build on. Revere would also eventually be selected as the name of the actual school district school district. On November 13, 1950, the students voted Red, White, and Blue as the district's colors and "Minutemen" was selected as the mascot based on the inspiration of the new name of the school.

The school began construction in August of 1951. Starting in September of 1951, students spent half a day at Bath School and half a day at Richfield School while the school was being built, high school. Publication of the *Revere Lantern* replaced the *Bath Hi-Spy* and the *Richfield Echo*. The yearbook became the *Revere Review* and in ??? was changed to the *Reverie*. Over the next year, there was a complete union of all school activities, functions, and faculty. Mr. M. Pugh was the first Superintendent and Harold Schweiserberger was the first principal.

On May 29, 1952 the first graduating class of Revere held their commencement in the Richfield School auditorium. In February of 1952 the alma mater, *Revere Revere*, was chosen. The music was composed by Professor David T. Plank (a former Bath Resident) and the words were written by his mother, Mrs. Eulalia Plank. The Revere PTA was formed on March 31, 1953 with Mrs. L. Wyatt serving as the first president. The Revere Alumni Association (RAA) was formed in July of 1953 by Mike McCoy, Wanda Barthlomew, and Craig Richmond.

Starting in the fall of 1961, Revere High School became a 10-12 school after the freshmen began attending Eastview Junior High. The Freshmen returned in ????

The Building

On June 17, 1951, a ground breaking ceremony was held for the new high school and construction began in August of 1951.

On January 20, 1953, all high school students moved into the new school. The original school was two floors and currently makes up the main two hallways of the current school. The cafeteria was up and running by the Fall of 1953. A gymnasium and auditorium were built and finished by December of 1953. (Note: In the current school—the original classroom section makes up the main two hallways, the gymnasium is now the Auxiliary Gym, the auditorium is now the band and chorus rooms). The official dedication of the school occurred on March 21, 1954.

In the Spring of 1957, an addition was added to Revere High School. The addition extended the building further west and added an industrial arts shop and several classrooms.

In 1981, an addition was added to RHS. The addition added a new gymnasium, locker rooms, auditorium, enlarged the cafeteria, added an elevator, and added classrooms to the art wing. [Note: the old gym became the library].

History of Revere Athletics

Revere Sports

Prior to there being a Revere, there was Bath Buccaneers and the Richfield Rockets. The two different districts had a number of sports and actually competed against each other in the Summit County League.

In 1950, the two districts decided to combine—starting with the 1950 football team. Basketball would combine the following year. And in 1952, permanent sports department was established with Kermit Smulbach serving as the athletic director. The school sponsored football, cheerleading, men's basketball, men's track, and baseball. Football, track, and baseball competition were held at Bath Field while basketball was held at Richfield Gymnasium.

Girls at Revere, with the exception of cheerleading, did not have organized sports sponsored by the Athletic Department. But Bath and Richfield girls combined to become Revere's Y-Teens. Y-Teens (formerly Girl Reserves) is a club that is affiliated with the Youth Women's Christian Association (YMCA). There was 29 local high schools that had Y-Teen clubs. Revere girls first competed in swimming and basketball in 1952 and other sports were added through the years.

In 1972-1973, girl's sports were added to Suburban League competition.

Revere Groups/Clubs

On March 28, 1952, Booster Club reorganized under the name Revere—Carl Deitrich served as the first president.

Varsity R Club was formed in 1954 (called the Lettermen's Club). It was organized by Coach Frank DiNapoli and was open to all those who have received a letter for football, basketball, baseball, track, and managing any of the sports—Bob Wells served as the first Student-President of the organization.

Ohio High School Athletic Association

The Ohio High School Athletic Association is a voluntary, unincorporated, not-for-profit association of public and private high schools. The impetus for the founding of the Ohio High School Athletic Association came from the Western Ohio Superintendents Round Table as a result of discussions in the 1890's and early 1900's. At the March, 1906, meeting of the Round Table, a resolution was adopted to appoint a committee headed by George R. Eastman of Steele High School in Dayton. The OHSAA started with five districts in 1907, but soon changed to six districts in 1908. The OHSAA sponsors state championships in 11 boys sports and 11 girls sports as a result of that humble beginning of one in 1908.

REVERE MINUTEMEN

On October 5, 1950, the Bath-Richfield school board selected “Revere High School” as the name for the new combined high school. The name, which was eventually also selected as the name of the school district, was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being built on—Revere Road. On November 13, 1950, the students voted Red, White, and Blue as the district’s colors and “Minutemen” was selected as the mascot based on the inspiration of the new name of the school and the colors.

Revere’s initial logo for the mascot was based on *The Minute Man*, a statue by Daniel Chester French erected in 1875 in Concord, Massachusetts. This image still serves as the official logo for RHS and is used in the school’s emblem. (L-R): Official Logo, *The Minute Man* statue, and the school emblem.

The picture that appears to the left is the current logo used by the Revere Athletic Department. The remaining pictures are samples of what different RHS sports have used over the years.

REVERE “R”

Revere has used a number of different style R’s to represent the district over the years—some were official and some were not. In recent years, the district has adopted the Magneto Font **R** as the official style for Revere. The initial concept of the Magneto **R** was introduced by RHS student Tyler Thurn in the Spring of 2003 when he proposed to redesign the football helmets under new coach Terry Cistone. Cistone and Thurn modified the **R** slightly and the Magneto **R** was used on the helmet in the Fall of 2003. Over the next 5 years, the district unofficially adopted it as the Official R—the Revere “**R**”.

The logo that appears to the left is the official Revere “R”. The remaining logos are samples of what had been used over the years.

The History of the Suburban League

The Suburban League is an outgrowth of the old Summit County League. The Summit League consisted of 13 schools including: Bath (Revere), Richfield (Revere), Greensburg (Green), Boston Township (Woodridge), Northfield-Macedonia (Nordon), Copley, Twinsburg, Manchester, Hudson, and Mogadore.

In 1949 the larger schools in the league—Copley, Greensburg (Green), Hudson, Manchester, and Northfield-Macedonia (Nordon)—formed the Suburban League while the smaller schools remained in the Summit County League. The League operated with the original five schools for eight years although Highland (formerly Sharon-Granger) did participate in the League in football. In 1958—Revere, Boston Township (Woodridge), Mogadore, and Twinsburg (Chamberlin)—merged to make the league nine teams.

The Suburban League existed with nine schools until 1964 when Twinsburg (Chamberlain) left to join the Chagrin Valley Conference. The league introduced the All-Sports Trophy in 1967-1968 which is awarded to the school that does the best in all sports competitions. Mogadore withdrew following the 1967-68 school year to join the Portage County League. The league operated with seven schools until Coventry left the Metropolitan League to become a member in 1969-1970.

In 1972-1973, girl's sports were added to Suburban League competition—they had previously competed in Y-Teens as part of the YWCA.

When Norton withdrew from the Metropolitan League and was admitted to membership in 1972-73, the league again had nine members. But Nordon withdrew the following season to become a member of the Metropolitan League.

Highland joined the league when Manchester opted to join the All-Ohio Conference in 1976. Field replaced Woodridge in 1978, and when Coventry left to join the All-Ohio Conference following the 1982-83 school year, the league again operated with seven schools. Wadsworth was admitted to membership in December of 1981 and began actively participating in the fall of 1984.

In 1990, Field withdrew from the league to join the Portage County League and Tallmadge left the Metropolitan League to join the Suburban League.

After the 1996-97 season, Hudson left the league to join the Western Reserve Conference. Cloverleaf High School withdrew from the Pioneer Conference and began Suburban League competition in the 1997-98 school year.

In 2005, Norton left to join the new two-tier 16-school Portage Trail Conference. Barberton withdrew from the Western Reserve Conference and joined the Suburban League.

In 2011, Barberton left the league to become independent and the Nordon Knights (an original member 1949-1973) withdrew from the Northeast Ohio Conference to rejoin the Suburban League—forming the eight member league as it exists today.

In 2015, big changes will occur to the Suburban League. First, Green will leave the conference to become a member of the Federal League. Second, the league will expand into two 8-team divisions—high school based upon enrollment (National Division-Big School and American Division-Small School) while middle school based on geography (Northeast and Southwest). The expansion will see three former members return: Hudson (1949-1996), Twinsburg (1958-1963), and Barberton (2005-2010). It also will welcomed six new members into the league: Stow-Monroe Falls, North Royalton, Cuyahoga Falls, Brecksville-Broadview Heights, Kent Roosevelt, and Aurora.

NATIONAL DIVISION (HS-Big School): Stow (1,338), North Royalton (1,334), Hudson (1,250), Cuyahoga Falls (1,217), Wadsworth (1,183), Brecksville (1,163), Twinsburg (1,090) and Nordon (1,018)

AMERICAN DIVISION (HS-Small School): Barberton (931), Roosevelt (881), Highland (873), Copley (867), Aurora (787), Cloverleaf (737), Revere (679) and Tallmadge (633).

Northeast Conference (MS): Aurora, Cuyahoga Falls, Hudson, Nordon, Roosevelt, Stow, Tallmadge and Twinsburg.

Southwest Conference (MS): Barberton, Brecksville, Cloverleaf, Copley, Highland, North Royalton, Revere and Wadsworth.

Suburban League Champions: ALL-SPORTS TROPHY

The League introduced the All-Sports Trophy in 1967-1968 to award the school that had the best overall year in athletics. For each sport, every school is awarded points based on where they finished in the standings. At the end of the year the points are totaled and an All-Sports champion is crowned.

Revere Facilities: Joseph F. Pappano Stadium

Originally the Minutemen played their home games at Bath Field located next to Bath School at the corner of Cleveland-Massillon and Bath Roads. In the fall of 1955, construction on a new field began. The field was located at Revere High School, at the corner of Everett and Revere Roads, and included a new lighted field and track. On September 20, 1957, the first game was played on the field—a 6-0 win over Copley. On October 31, 1958, Revere High School Football Field was officially dedicated. On September 8, 1962 a dedication ceremony was held to commemorate the completion of a number of projects to the field, including new 1,200 seat steel bleachers. In 1994 the stadium received a major facelift with addition of new visitor bleachers, an all-weather track, new permanent fencing around the field and stadium, and paving around the stadium to replace the gravel. In 2002, new home bleachers were added along with an impressive press box.

In 2002, the stadium was rededicated and named after Coach Joseph F. Pappano. The honor was bestowed upon Coach Pappano who coached for 26 years (1977-2002) and became one of the area's best coaches. He finished his career with 160 wins, 9 league titles, 7 state qualifying teams, a 20-6 record against Copley, Ohio High School Coach of the Year in Division II in 1980 and '89 and in Division III in '90, and was inducted into the Summit County Sports Hall of Fame in 2004.

In 2009, field turf was installed in the stadium thanks to the efforts of a community organization (Revere Turf Committee) along with the Revere Administration and the Revere Board of Education. The Stadium also received an expanded playing surface, new fencing, a new all-weather track, new paving around the stadium, and play clocks on both sides of the field.

In 2008 with the Revere Board of Education (BOE) identifying the need to replace the deteriorating track at Joseph F. Pappano Stadium, a group of Revere parents proposed raising funds to replace the natural grass field with an artificial surface. This group of parents then formed the Revere Turf Initiative which sought to fundraise in order to make this vision a reality.

The project cost is estimated at \$1,380,000. The Revere School District provided the initial \$500,000 it had reserved for the required track replacement and any remaining cost of the total project (the reduced annual maintenance cost of the new turf as compared to natural grass will also financially benefit the school district. The Turf Initiative's goal is to privately fund \$650,000 towards the project. The initial push has been a tremendous successes—As of August 15, 2009, approximately \$500,000 has been pledged by 185 different local families, businesses, and organizations!

Although great progress has been made in such a short period of time, additional money still needs to be raised. Anyone who would like to make a pledge and be a part of this exciting initiative, please visit www.revereturf.com.

Revere Turf Facts

- The artificial turf is manufactured by Tiger Turf (same manufacturer that supplied the turf for the Pinnacle Sports Complex, Hawkin's School, and Avon's stadium for the Lake Erie Crushers.
- The grade of turf which was purchased has both a grass length fiber and shorter thatch layer. The design helps to contain the rubber flyout and also gives a more realistic appearance of real grass. The thatch layer is both brown and green in color to replicate the look of a real lawn
- The turf is held down by 275,000 pounds of crushed recycled rubber.
- The new field is 70 yards x 120 yards (8,400 square yards) compared to 50 yards x 120 yards (6,000 square yards) of the old field.
- The seams of the turf are joined through a comprehensive heated gluing process.

Revere Facilities: William E. Moats Field House

When a bond issue that included the field house was defeated in November 1978, the Revere Booster Club decided to build it themselves. Under the leadership and work of club president Dr. William Moats, they worked to raise over \$250,000. A majority of this was done through five major donations of \$25,000 (Mr. Russell Dancey, Mr. and Mrs. Robert Hissong, Mr. Stanley Lojeck, and two anonymous donors). The booster club then appealed to the community for smaller donations—170 different local families, businesses, and organizations contributed to the project! As the results were promising; Dr Moats, Reno Alessio, Dr. Alfred Magoline, Dr. John Weingart, and Dr. Thomas Kelly went to the bank and signed a note for the remaining amount needed with an interest rate at about seven percent. With Reno Alessio donating his time as the construction manager and the actual construction was done at a charitable cost by the Earnest Alessio Construction Company, the project was ready to begin.

On May 30, 1979 a groundbreaking ceremony was held for the new Revere Field House, work was complete on it by the Fall, and it was officially dedicated on October, 18, 1979. The new field house provided onsite locker rooms, heated concession stand, and permanent restrooms to the stadium.

With the state-of-the-art field house complete and being occupied, a financial crisis occurred for those that had signed for the bank loan. In the early 80s, the interest rates skyrocketed to 20 percent and the interest accumulated on the loan far beyond what the committee could raise. In order to repay the loan, the Revere Booster Club held their first Reverse Raffle, with a car donated by Bigelow Chevrolet as the grand prize.

In 1995, the field house received an addition—including a new football/baseball locker room, a new concession stand, expanded weight room, and a new trainers room.

In 2000, the field house was rededicated and named after Dr. William E. Moats. The honor was bestowed upon Dr. Moats after his longtime presence in the district—former standout athlete (football, basketball, baseball, and track), former Revere Booster Club President, and longtime team physician.

As an athlete, the 5'10 and 145 pound Bill "Willy" Moats earned one letter in track, three letters in football and baseball, and four letters in basketball before graduating in 1954. He attended Wooster College where he was a four year letter-winner (1955-1958) as a member of the baseball team. Dr. Moats served as a team physician from 1963 To 1999 In addition, he has been affiliated with Summa Health System since 1964. He has spoken and researched intensively on the topic of Sports Medicine. He also has served as the Medical Director of Akron City Hospital Sports Medicine, the Ohio Ballet, and for the Akron RoadRunner Marathon.

William E. Moats FIELD HOUSE

Dr. Moats addresses community and student supporters just before groundbreaking ceremony.

First digs go to Board President Dr. Keiper, Mr. Lojek, and Mr. Alessio.

Dr. Moats, serving as team physician, looks on during a game in 1983.

JAMES JACCAUD

Jim Jaccaud was proud to be an active member of the Revere Booster Club for several years. He strongly believed in supporting young athletes and unselfishly gave of his time and talents.

Jim truly loved the Revere students and fellow members of the

BILL BRUNSKILL

Bill Brunskill graduated from Revere High School in 1954. He was an honor student, and very active in school functions. He excelled in sports—basketball, baseball, and track. He was an inspiration to all who knew him.

The weight room part of the original field house. New nautilus equipment arrived in January of 1980. In 1994, the wall was torn down and the former trainers room was made part of the weight room. All new Hammer Strength equipment was purchased by the Revere Gridiron Club and Revere Booster Club—it arrived in the Spring of 1995.

Revere Facilities: Multipurpose Room Training Facility

Multipurpose Room Training Facility is was started by the Wrestling Program and a major donation by Jerry Kusar. In 2007-2008, the informal weight room was made into a formal training area. Thanks to donations by the Revere Booster Club and the Revere Athletic Department, new flooring was installed and new equipment

Revere Facilities: RHS Trophy Case Dedicated to Ed Luther

In 2008-2009, Revere added a trophy case outside of the gymnasium. The project was made possible through donations by the Ed Luther Family, Revere Booster Club, and Revere Athletic Department. It was dedicated to Ed Luther on January 16, 2009.

Ed Luther was an alumnus ('79) who loved Revere. It was his great-grandparents that founded Luther Farms and the Luther's have been a mainstay in Revere ever since. Ed's children are part of Revere School—Ed Luther Jr. (2008 Football 1st Team All-District Selection), Andy Luther (2009 All-League), Brian Luther (2009 Freshmen Football Team), and Cody (2nd Grade).

Revere Facilities: Main Gymnasium & Auxiliary Gymnasium

Gordon E. Knapp Memorial Addition

The RHS student council dedicated the new auditorium, main gym area, and multipurpose room (wrestling room) to Gordon E. Knapp in 1981. Knapp was a teacher, coach, and principal who taught in the district from 1941 to 1980. The day before Mr. Knapp officially retired, was involved in a fatal car crash on his way home.

Revere Facilities: Multipurpose Room

- The Revere home for winter sports was originally the Richfield Gymnasium (the new high school did not originally have a gymnasium).
- In 1953, a gymnasium was added on the 1-year old Revere high school.
- In 1981, a the Gordon E. Knapp addition was added. The addition added a new gymnasium, locker rooms, multipurpose room (wrestling and gymnastics room). The old gym was converted into the library.
- In 1995, with the addition of a new library, the Auxiliary Gym was added by converting the old library back to a gymnasium

Revere Facilities: Baseball & Softball

- Baseball: The home of the baseball team was originally Bath Field (Richfield Field was “too tough because it was scraped too much”). In 1961 a new baseball field was built at the current high school (where the current softball field is located). In 1968, spectator stands were built. In 1972 a new baseball field was built at its current location, next to the bus garage and the old baseball field was converted to a softball field. The baseball field under went major facelifts in 2004 when both fields became baseball/softball fields only: permanent 10 foot fencing was put in around the field; storage, bleachers, and a batting cage were also added.
- Softball: The baseball field became the softball field in 1972. The baseball and softball fields under went major facelifts in 2004 when both fields became baseball/softball fields only: permanent 10 foot fencing was put in

Revere Track & Field: Revere Relays

The First Revere Relays were held on May 2, 1959. The event was organized by Dr. Carl Dietrich and Mr. Stephen Gladwin and sponsored by the Revere All-Sports Booster Club. There were eight teams at the initial relays. Admission was \$.75 for adults and \$.35 children. The Revere Relays took place for the next four years and then was discontinued after 1962.

The Revere Relays was started back up on May 16, 1986 by John Fuller. The relays were canceled in 1994 due to stadium reconstruction (new track, bleachers, and addition to field house) and 2005 due to stadium reconstruction (new home bleachers). The relays have been a proud Revere tradition for more than 30 years.

FROM THE AN ISSUE OF THE REVERE LANTERN BY JOY LEVIN (May 15, 1986):

Revere Holds Relays After Quarter Century—"It has been almost 25 years since Revere last held the prestigious track meet relays," commented Mr. John Fuller, track coach. A total of six girls' track teams and six boys' track teams will compete on Friday, May 16. The schools include Hoban, Norton, Nordon, Buckey, Our Lady of the Elms, and Barberton. Three people from each school will compete together and their scores will be combined. Mr. Fuller pointed out that instead of showing individual ability, everyone has to work together to have good team effort. He also added that although many seniors won't be able to attend since it is the sesame night as prom, it should be a nice turnout."
