This has been a daunting task but worth it—a love of two of my favorite hobbies: Sports and History. I am extremely pleased with the results and am glad that such a written history now exists for the football program. I hope everyone enjoys it.—Phil Heyn (Class of 1996)

History of Revere Local School District

Region

The Connecticut Western Reserve was land claimed by Connecticut in the Northwest Territory in what is now northeastern Ohio. Early settlers called the territory "New Connecticut," but that name was later discarded in favor of "Western Reserve." In 1796, Connecticut sold that land to investors, eight investors from Suffield, Connecticut. These investors formed the Connecticut Land Company which then surveyed the land as well as encourage settlement.

Richfield

Township—In 1809 Lancelot Mays came to this area with his wife and built a log cabin on the property at 3600 & 3636 Broadview Road. The land belonged to Herman Oviatt who had purchased it from the Connecticut Land Company. In April of 1816, by the authority of the Commissioners of Portage County (to which Richfield belonged at the time) Richfield became its own township. The way it received its name has two versions: 1) it was given name Richfield due to the fertile soil that the area contained; 2) it was given the name Richfield due to the large amount of "Oxbalm" or "rich feed" available to feed cattle.

Schools—In 1816 Richfield Township built a building that served as town hall, church, court, social hall, and school house. Leamon Farnham, son of early settler John Farnhm, was the first teacher. In the coming years, Richfield had a number of one-room schools scattered throughout the township (i.e. West Richfield School—now part of the Masonic Temple, No. 2 School—on Hawkins Road). In 1914, Richfield combined all their local schools into one, Richfield High School, located on Rt. 303. The students were known as the Richfield Rockets.

Bath

Township—The first permanent settlers, Jonathan Hale and Jason Hammond came in 1810, and eight years after that, 1818, the township was officially organized. When the township first formed, the big question was what to call it. Jonathan Hale is alleged to have said, "Call it Jerusalem, Jericho, or Bath, or anything but Hammondsburgh (the name the township had become known as)." After a vote by the residents, the township was officially named Bath.

Schools—From 1877 to 1923, the township had 11 one-room schoolhouses (including Ira School, McAllister School, East Bath School, Hammond's Corners School, Ghent School and Bath Center School). In 1923, all of the one-room schools closed and the centrally located Bath School opened its doors. Bath School was a K-12 building located on the corner of Cleveland-Massillon and Bath Roads. The students were known as the Bath Buccaneers.

Revere

In 1949, discussions began between Bath and Richfield regarding the consolidation of their two school districts started. On November 14, 1949, Summit County Board of Education officially recognized the new system and named it the "Bath-Richfield Local School District. In the early part of 1950, The Bath-Richfield School Board supervised the purchase of 28 acres for the site of the new school at the intersection of Revere and Everett Roads. While the school was being built, high school students spent half a day at Bath School and half a day at Richfield School.

On October 5, 1950, the school board selected "Revere High School" as the name for the new school. The name—which was eventually also selected as the name of the school district—was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being build on. On November 13, 1950, the students voted Red, White, and Blue as the district's colors and "Minutemen" was selected as the mascot based on the inspiration of the new name of the school. On May 29, 1952 the first graduating class of the Revere Local School District held their commencement in the Richfield School auditorium.

Forming of the School and Early Days

In the early part of 1950, The Bath-Richfield School Board supervised the purchase of 28 acres for the site of the new school at the intersection of Revere and Everett Roads. On October 5, 1950, the school board selected "Revere High School" as the name for the new school. The name was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being build on. Revere would also eventually be selected as the name of the actual school district school district. On November 13, 1950, the students voted Red, White, and Blue as the district's colors and "Minutemen" was selected as the mascot based on the inspiration of the new name of the school.

The school began construction in August of 1951. Starting in September of 1951, students spent half a day at Bath School and half a day at Richfield School while the school was being built, high school. Publication of the *Revere Lanter*n replaced the *Bath Hi-Spy* and the *Richfield Echo*. The yearbook became the *Revere Review* and in 19**??** was changed to the *Reverie*. Over the next year, there was a complete union of all school activities, functions, and faculty. Mr. M. Pugh was the first Superintendent and Harold Schweiserberger was the first principal.

On May 29, 1952 the first graduating class of Revere held their commencement in the Richfield School auditorium. In February of 1952 the alma mater, *Revere Revere*, was chosen. The music was composed by Professor David T. Plank (a former Bath Resident) and the words were written by his mother, Mrs. Eulalia Plank. The Revere PTA was formed on March 31, 1953 with Mrs. L. Wyatt serving as the first president. The Revere Alumni Association (RAA) was formed in July of 1953 by Mike McCoy, Wanda Barthlomew, and Craig Richmond.

Starting in the fall of 1961, Revere High School became a 10-12 school after the freshmen began attending Eastview Junior High. The Freshmen returned in 19??

The Building

On June 17, 1951, a ground breaking ceremony was held for the new high school and construction began in August of 1951.

On January 20, 1953, all high school students moved into the new school. The original school was two floors and currently makes up the main two hallways of the current school. The cafeteria was up and running by the Fall of 1953. A gymnasium and auditorium were built and finished by December of 1953. (Note: In the current school—the original classroom section makes up the main two hallways, the gymnasium is now the Auxiliary Gym, the auditorium is now the band and chorus rooms). The official dedication of the school occurred on March 21, 1954.

In the Spring of 1957, an addition was added to Revere High School. The addition extended the building further west and added an industrial arts shop and several classrooms.

In 1981, an addition was added to RHS. The addition added a new gymnasium, locker rooms, auditorium, enlarged the cafeteria, added an elevator, and added classrooms to the art wing. [Note: the old gym became the library].

Miscellaneous History of Revere High School

Senior Rock
The original rock was excavated from the original Revere High School foundation, it was too big to haul away so they placed it on the corner of Revere and Everett Roads. It received its first paint job shortly after the school opened. In 1968, however, students did not stop at painting the rock and began to paint the school as well. In response, the school board ordered the rock removed so a hole was dug and the rock was buried. But mysteriously a new rock reappeared. Several seniors from the class of '68 got a truck with a crane and transported a rock from Canton to Revere. Administration threatened to haul the new rock away but a petition by the students saved the rock.

RHS Marquee
The marquee was constructed in 1984 in memory of Marianne Mertie. She died in February 1992 in a car accident—she was a senior at Revere.

Gordon E. Knapp Memorial Addition
The RHS student council dedicated the new auditorium and main gym area to Gordon E. Knapp in 1981. Knapp was a teacher, coach, and principal in the district from 1941 to 1980. The day before Mr. Knapp officially retired, was involved in a fatal car crash on his way home.

RHS Entrance Tee
- Strazinsky Tree: The was planted in 1992 in memory of Becky Strazinsky. She died September 24, 1983 in a car accident—she was a senior at Revere.
- Flowers and Shrubs: The Revere Alumni Association designed and built the landscape at the entrance.
- Benches: The benches were an Eagle Scout Project of Michael A. Vince along with the planting of shrubbery.
- Revere Sign: The concrete Revere Sign was a gift from the Class of 2008 and the RHS Student Council.

William E. Moats Entrance Tee
The was planted in 19?? in memory of Eric Morant. Eric graduated from RHS in 1990 and was a key member of the 1989 championship football team. Eric was killed in a fatal car crash.

Cafeteria Entrance Tee

Veterans Memorial
The RHS Veterans Memorial is located between the football, baseball, and softball fields. The Revere War Memorial was dedicated in recognition of all Revere alumni and staff who have defended their country through service in the Armed Forces of The United States of America. The first phase was completed by Kevin Papp as an eagle scout project in 2008 and included a walkway, two benches and a flag pole. The second phase was completed by David Morar as an eagle scout project in 2010 and includes 2 additional flag poles and a tree planted in memory of Gunnery Sergeant Robert Gilbert II.

History of Revere Athletics

Revere Sports

Prior to there being a Revere, there was Bath Buccaneers and the Richfield Rockets. The two different districts had a number of sports and actually competed against each other in the Summit County League.

In 1950, the two districts decided to combine—starting with the 1950 football team. Basketball would combine the following year. And in 1952, permanent sports department was established with Kermit Smulbach serving as the athletic director. The school sponsored football, cheerleading, men's basketball, men's track, and baseball. Football, track, and baseball competition were held at Bath Field while basketball was held at Richfield Gymnasium.

Girls at Revere, with the exception of cheerleading, did not have organized sports sponsored by the Athletic Department. But Bath and Richfield girls combined to become Revere's Y-Teens. Y-Teens (formerly Girl Reserves) is a club that is affiliated with the Youth Women's Christian Association (YMCA). There was 29 local high schools that had Y-Teen clubs. Revere girls first competed in swimming and basketball in 1952 and other sports were added through the years.

In 1972-1973, girl's sports were added to Suburban League competition.

Revere Groups/Clubs

On March 28, 1952, Booster Club reorganized under the name Revere—Carl Deitrich served as the first president.

Varsity R Club was formed in 1954 (called the Lettermen's Club). It was organized by Coach Frank DiNapoli and was open to all those who have received a letter for football, basketball, baseball, track, and managing any of the sports—Bob Wells served as the as the first Student-President of the organization.

Ohio High School Athletic Association

The Ohio High School Athletic Association is a voluntary, unincorporated, not-for-profit association of public and private high schools. The impetus for the founding of the Ohio High School Athletic Association came from the Western Ohio Superintendents Round Table as a result of discussions in the 1890's and early 1900's. At the March, 1906, meeting of the Round Table, a resolution was adopted to appoint a committee headed by George R. Eastman of Steele High School in Dayton. The OHSAA started with five districts in 1907, but soon changed to six districts in 1908. The OHSAA sponsors state championships in 11 boys sports and 11 girls sports as a result of that humble beginning of one in 1908.

REVERE MINUTEMEN

On October 5, 1950, the Bath-Richfield school board selected "Revere High School" as the name for the new combined high school. The name, which was eventually also selected as the name of the school district, was first suggested by long time teacher and coach Gordan E. Knapp based on the road the new school was being built on—Revere Road. On November 13, 1950, the students voted Red, White, and Blue as the district's colors and "Minutemen" was selected as the mascot based on the inspiration of the new name of the school and the colors.

Revere's initial logo for the mascot was based on *The Minute Man,* a statue by Daniel Chester French erected in 1875 in Concord, Massachusetts. This image still serves as the official logo for RHS and is used in the school's emblem. (L-R): Official Logo, *The Minute Man* statue, and the school emblem.

The picture that appears to the left is the current logo used by the Revere Athletic Department. The remaining pictures are samples of what different RHS sports have used over the years.

REVERE "R"

Revere has used a number of different style R's to represent the district over the years—some were official and some were not. In recent years, the district has adopted the Magneto Font 𝓡 as the official style for Revere. The initial concept of the Magneto 𝓡 was introduced by RHS student Tyler Thurn in the Spring of 2003 when he proposed to redesign the football helmets under new coach Terry Cistone. Cistone and Thurn modified the 𝓡 slightly and the Magneto 𝓡 was used on the helmet in the Fall of 2003. Over the next 5 years, the district unofficially adopted it as the Official R—the Revere "𝓡".

The logo that appears to the left is the official Revere "R". The remaining logos are samples of what had been used over the years.
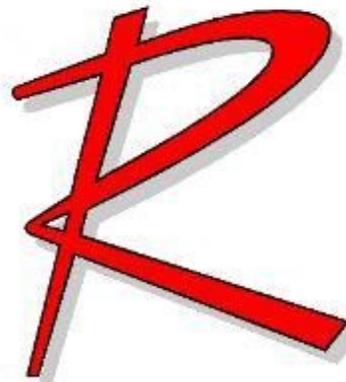

The History of the Suburban League

The Suburban League is an outgrowth of the old Summit County League. The Summit League consisted of 13 schools including: Bath (Revere), Richfield (Revere), Greensburg (Green), Boston Township (Woodridge), Northfield-Macedonia (Nordonia), Copley, Twinsburg, Manchester, Hudson, and Mogadore.

In 1949 the larger schools in the league—Copley, Greensburg (Green), Hudson, Manchester, and Northfield-Macedonia (Nordonia)—formed the Suburban League while the smaller schools remained in the Summit County League. The League operated with the original five schools for eight years although Highland (formerly Sharon-Granger) did participate in the League in football. In 1958—Revere, Boston Township (Woodridge), Mogadore, and Twinsburg (Chamberlin)—merged to make the league nine teams.

The Suburban League existed with nine schools until 1964 when Twinsburg (Chamberlain) left to join the Chagrin Valley Conference. The league introduced the All-Sports Trophy in 1967-1968 which is awarded to the school that does the best in all sports competitions. Mogadore withdrew following the 1967-68 school year to join the Portage County League. The league operated with seven schools until Coventry left the Metropolitan League to become a member in 1969-1970.

In 1972-1973, girl's sports were added to Suburban League competition—they had previously competed in Y-Teens as part of the YWCA.

When Norton withdrew from the Metropolitan League and was admitted to membership in 1972-73, the league again had nine members. But Nordonia withdrew the following season to become a member of the Metropolitan League.

Highland joined the league when Manchester opted to join the All-Ohio Conference in 1976. Field replaced Woodridge in 1978, and when Coventry left to join the All-Ohio Conference following the 1982-83 school year, the league again operated with seven schools. Wadsworth was admitted to membership in December of 1981 and began actively participating in the fall of 1984.

In 1990, Field withdrew from the league to join the Portage County League and Tallmadge left the Metropolitan League to join the Suburban League.

After the 1996-97 season, Hudson left the league to join the Western Reserve Conference. Cloverleaf High School withdrew from the Pioneer Conference and began Suburban League competition in the 1997-98 school year.

In 2005, Norton left to join the new two-tier 16-school Portage Trail Conference. Barberton withdrew from the Western Reserve Conference and joined the Suburban League.

In 2011, Barberton left the league to become independent and the Nordonia Knights (an original member 1949-1973) withdrew from the Northeast Ohio Conference to rejoin the Suburban League—forming the eight member league as it exists today.

In 2015, big changes occurred to the Suburban League. First, Green left the conference to become a member of the Federal League and Cloverleaf left to become a member of the Portage Trail Conference. Second, the league expanded into one 7-team and one 8-team conference—high school based upon enrollment (National Conference-Big School and American Conference-Small School) while middle school based on geography (Northeast and Southwest). The expansion will see three former members return: Hudson (1949-1996), Twinsburg (1958-1963), and Barberton (2005-2010). It also will welcomed six new members into the league: Stow-Munroe Falls, North Royalton, Cuyahoga Falls, Brecksville-Broadview Heights, Kent Roosevelt, and Aurora.

NATIONAL CONFERENCE (HS-Big School): Brecksville-Broadview Hts. (1,038), Cuyahoga Falls (1,279), Hudson (1,177), Nordonia (932), North Royalton (1,227), Stow-Munroe Falls (1,465), Twinsburg (989), Wadsworth (1,126)

AMERICAN CONFERENCE (HS-Small School): Aurora (724), Barberton (927), Copley (843), Highland (842), Revere (616), Theodore Roosevelt (853), Tallmadge (654)

East Conference (MS): Aurora, Cuyahoga Falls, Hudson, Nordonia, Roosevelt, Stow, Tallmadge and Twinsburg.

West Conference (MS): Barberton, Brecksville, Copley, Highland, North Royalton, Revere and Wadsworth.

Suburban League Champions: ALL-SPORTS TROPHY

The League introduced the All-Sports Trophy in 1967-1968 to award the school that had the best overall year in athletics. For each sport, every school is awarded points based on where they finished in the standings. At the end of the year the points are totaled and an All-Sports champion is crowned.

History of Revere Football: 1950-2002

The tradition began with Mr. C. G. Wise starting "one of the first football squads of the area" shortly after the building of Bath School in 1892. The football team, along with other sports teams at Bath, was known as the Buccaneers. Prior to 1950, the Bath Buccaneers and the Richfield Rockets were two separate districts.

In 1950 with the decision by both districts to combine, the Bath-Richfield School District (Revere) sponsored a football team, playing under the name Bath-Richfield. Kermit Smulbach, the longtime football coach at Bath, was the coach of this first team. In 1951, the team took on its new name—Revere Minutemen. Coach Smulbach coached Revere for three years (1950-1952) but the team struggled, amassing only 3 wins.

In 1953 Coach Frank DiNapoli took over the program and coached for the next four years (1953-1956). During these years, Revere maintained respectability but could not quite break the .500 mark. In 1955, the first freshmen team was formed with Gerald Hutchinson, a former player, serving as the first coach.

In 1957, Coach Fred Ost took the reigns of the team and established stability within the program. Coach Ost had two terms as coach with the first lasting eleven years (1957-1967).   A new identity came during this span as Neil Jones and Phil Angelo created the new nickname for the Revere Football Program—"Big Red." The highlight of these years was the 1966 team that finished 9-0. The team—led by Chuck Penzenik, Chris Zak, Mike Jones, and Bob Stalnaker—outscored their opponents 225-99 on their way to the Suburban League title.

In 1961, the first middle school team was formed—the Eastview Middle School Patriots were coach by Ed Wolski.

In 1968, Coach Homer Pyle took over the program for two years (1968-1969). Coach Pyle's first year was successful (7-3), while in his second year the team struggled (3-7) with a young team.

In 1970, Coach John Fuller became the head coach, a position he held for two years (1970-1971). The team struggled for these two years, as a fierce league proved too be overwhelming to the Minutemen.

In 1972, Coach Fred Ost returned as coach and continued for the next five years (1972-1976). During Coach Ost's second term, the team hovered around .500 but could not quite get over the hump. When Coach Ost retired, he did so with 64 career wins (.433 winning percentage) and a number of other accomplishments—including having been name Summit County Coach of the Year.

In 1977, Coach Joe Pappano took over the program and ushered in new era in Revere Football. Coach Pappano would coach for the next 26 years (1977-2002) and become one of the area greats of the high school gridiron. He finished with 160 wins, 9 league titles, 7 state qualifying teams, a 20-6 record against Copley, Ohio High School Coach of the Year in Division II in 1980 and '89 and in Division III in '90, and is a member of the Summit County Sports Hall of Fame. One of Pappano's former players is Andy McCollum, center for the Detroit Lions, possessor of a Super Bowl ring he won while with the St. Louis Rams, and he is now in his 15th NFL season.

The highlights of these years were the 1980 and 1990 football teams. In 1980, the team finished 9-1-2 and captured the Suburban League Title as well as the DII-Region V Championship. The team—led by Tim Gabel, Steve Magoline, Paul Bollinger, Matt Meyerson, and Paul Anacki—only lost to eventual state champion Youngstown Cardinal Mooney. In 1990, the team finished 13-1 and captured the Suburban League Title as well as finishing as the DIII State Runner-Up. The team—often times referred to as "The State Team" is considered the greatest team in Revere History, outscoring their opponents 286-156. The team was led by a number of key contributors—including Andy Shackelford, Brian Willis, and Dan Herberth.

History of Revere Football: 2003—PRESENT

In 2003, Terry Cistone was named the school's seventh coach and went on to post an impressive 38-33 mark. Coach Cistone was the head coach for seven season (2003-2009) and was an assistant for 12 prior to that. His teams averaged more than 6 wins a season and the 2005 team qualified for the state playoffs.

In 2010, Phil Heyn was hired to become the school's eighth coach. Heyn, a 1996 graduate of RHS, had been an assistant coach at Revere for nine seasons. For the three years under Heyn (2010-2012) the team struggled as a tough league and 3rd toughest overall schedule in the state proved to be too much for the Minutemen.

In 2013, Mike Murphey was hired as the school's ninth head coach. Murphy was previously an assistant at Chagrin Falls and Kenston high schools. In his first year the team went 3-7 including a 32-27 win over rival Copley. In his second year the team went 5-5 and in his third year the team went 3-7.

Revere Football Traditions: Revere Vs. Copley Rivalry

HISTORY OF THE RIVALRY

Revere and Copley have one of the more storied rivalries in Northeast Ohio. These two neighboring school districts border one another and share the economic district known as Montrose. This rivalry carries a lot of great tradition and promotes a lot of fun between two of Ohio's finest high schools. Although heated in all sports, the Revere-Copley rivalry takes its most prominent form on the gridiron. The series is currently tied 32-32 but Revere has a 24-15 advantage over Copley in the last 38 years. And these two teams have combined to win 37% of the Suburban League Titles (RHS-12; CHS-14) as well as a combined 18 state playoff appearances (RHS-8; CHS-10).

The rivalry actually began prior to the formation of Revere, back when the Bath Buccaneers played against the Copley Indians in the Old Summit County League. The game only intensified after the unification of the athletic programs of Bath and Richfield in 1950. As the October 1955 edition of the *Revere Lantern* referred to it, the meeting of these two teams on the football field is a "Classic Old Rival Gridiron Contest."

In 1968 a traveling trophy tradition was added to this backyard brawl when the student councils of Revere and Copley jointly purchased a bell for $42.50. The bell was named the "Victory Bell" with the winning team claiming the rights to the bell for that year. Revere won the bell in the first year, beating Copley 33-20 on October 11, 1968. The bell used today is not the original bell or stand. In the early 1980's Copley students stole the bell from Revere and vandalized it, as a result—Copley was forced to purchase a replacement bell. The original stand was also replaced in 2001 after Copley painted and carved in the original when they held it in 1999 and 2000. In 2007, Revere students attempted to steal the bell from Copley High School but the attempt was thwarted—no damage was done to the bell.

The game took on a new tone in 1977 when Joe Pappano took over has the Head Coach at Revere. Pappano, a Copley resident, embraced this game and made sure his players understood the importance of this rivalry and worked especially hard during "Copley Week"—including turning on the stadium lights to practice after the sun had already set. Pappano also started the tradition of the "Beat Copley" T-shirts that were awarded to the football team if they defeated Copley.

Then this rivalry had the "Twelve Year War"! This marks a 12-year period (1990-2002) where Joe Pappano faced off against Dan Boarman. Both coaches were former players, coaches, and friends at St. Vincent-St. Mary. During this time, Revere held the advantage 9 wins to Copley's 4 wins.

What Makes Revere-Copley A Great Rivalry?

- **It has to mean Something:** For two communities that border each other and share Montrose—it means a lot. It is bragging rights for a year—knowing you can wear your Revere gear proudly in and around Montrose because Revere BEAT COPLEY! This game alone can make or break a season!
- **There has to be History**: Three years ago the two schools met for the 60th time and throughout that time there are so many stories that embrace this rivalry. From the ugly—vandalism, to fights, to taunting— to the good—great sportsmanship and philanthropic fundraisers/competitions between the two schools: there is enough history to last a lifetime.
- **It has to be Competitive and Embrace Great Football**: Revere currently only holds a two game lead in the series—32 to 30. The two schools have great football tradition: two teams have combined to win 40% of the Suburban League Titles (RHS-12; CHS-14) as well as a combined 18 state playoff appearances (RHS-8; CHS-10).
- **It Has to be Important to the Players**: Only the current players can answer that—but there are hundreds of former players, to hundreds of former alumni students, and hundreds of current students form both schools that it means a lot to.

Revere-Copley "Countdown Clock"
This clock sits on the wall of the locker room and runs year round to remind the football team of the next "Classic Old Rival Gridiron Contest" versus Copley for the "Victory Bell"
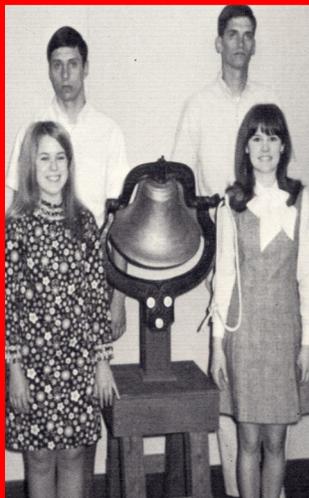

Revere—Copley "Victory Bell"
In 1968—the student councils of Revere and Copley jointly purchased a $42.50 bell, which they named the "Victory Bell", with the winning team claiming the rights to the bell for that year.

"The Crow"
The tradition was started in 1994 between Copley Athletic Director Larry Banner and Revere Alumnus Tim Godard ('70). It is to be placed in the football locker room or Athletic Office of the team that lost the Revere-Copley Football game (meaning eat "Crow").

"The NO BELL Prize"
The tradition was started between Jim Csikos from Jim's Locksmith on Copley Circle and Tim Godard (RHS Class of 1970) from Godard Auto Sales. Every year the ball is painted with the date and the score in the winner's colors, it is handed to the loser of the game, and then prominently displayed in the losers place of business for the next year.

"Without Sports, this Wouldn't Be Disgusting"
Strangely enough...there have been numerous relationships involving students from the rival schools—including former player and coach Phil Heyn ('96) and his wife, a former Copley cheerleader, Amy.

"Copley Steak Dinner"
The annual Copley Steak Dinner was originally a "Senior Dinner" tradition that eventually transformed into a team dinner that takes place in the cafeteria following the Thursday practice prior to the Copley game. The fathers grill the steaks while the mothers prepare the sides (bake potato bar, sundae bar, etc.). After the dinner, many senior classes have either chosen to give themselves unique haircuts or shave their heads.

In 1980, the Revere Field House (now know as the William E. Moats Field House) became the home for the Football Minutemen. As the team would leave the locker room, they would hit the top of the doorway as they exited. In 1994, an addition was built onto the field house and the football team got a new home but continued to hit the top of the doorway as they exited the locker room. In 1995, Coach Pappano and the captains (Sonny Bare, Josh Gordon and Phil Heyn) decided they wanted to come up with something new that would keep with the tradition but be more formal. Drawing inspiration from the "Play Like A Champion" sign that Notre Dame and Oklahoma have used at the exit of their locker rooms, the group came up with the idea for a Revere Game Plate. The sign would be placed just inside the locker room exit for the players to hit as they exit the locker room. The basis for the wording was from Coach Pappano's principals that he had built the program on—PRIDE-POISE-PEFORMANCE. Tom Bear (long time team doctor) and Gary Gibb (father of Mike Gibb '96 and Brian Gibb '00) funded, fabricated, and installed the game plate just prior to the 1995 season. Since that time, over 500 players have touched it as they return from a Revere Minutemen victory!

Revere Football Traditions

Homecoming/Copley Bon Fire

Traditionally, the athletic department has sponsored a bonfire on the Thursday before either the Copley Game or Homecoming.

"Hey Football Player"

This is a traditional skit done by the cheerleaders saluting the senior football players.

Senior Horseshoe (1977-PRESENT)

Senior Horseshoe tradition was started in 1977 when Coach Pappano took over has the head coach. It was held the last Thursday of the season with the underclassmen forming a horseshoe and calling each senior out to the group. Then the seniors "Will" the underclassmen mementos and miscellaneous keepsakes. Example, a facemask has been handed down by the starting quarterbacks since Derek Hotchkiss started the tradition in 1993.

Senior Dinners (1990-PRESENT)

Thursday Nigh Senior Dinners (formerly known as Thursday Night Spaghetti Dinners—were started by the 1990 football seniors. The first dinner was held at Hayden Hajdu's house. In the mid-90s, the dinner changed to include starters and the meals included much more than just spaghetti—but it was still held at a senior's house. In the late 90s, the dinner was changed back to seniors only and this tradition still exists today, with a different senior family hosting the dinner each week! In the mid-2000s, a Junior Dinner night began with the junior class have dinner at a local restaurant every Thursday.

Revere Gridiron Golf Outing (1990-2015)

In 1990, Coach Joe Pappano and the 1990 football seniors' parents organized the first golf outing. The outing acts a reunion for former players as well as a fundraiser for the football program.

Pad Pounding— "𝓡 YOU READY" (1995-2010)

In 1995, the captains (Sonny Bare, Josh Gordon, and Phil Heyn) began a rhythmic pounding of pads and clapping before starting the Minutemen's tradition R-E-V-E-R-E jumping jacks. In 2008, the captains (Donald Day, Chris Jett, Tyler Singleton, and Zach Weidrick) added a new part to the tradition. To transition from the pad pounding to the REVERE'S, the seniors insert "R You Ready" and the team responds "YES SIR"—this is done twice and then Revere's are started.

Revere Football Traditions

Revere Youth Football Camp

In 2001, the Annual Camp was founded by, then assistant coach and eventual head coach, Terry Cistone. The camp was formed to teach kids about the game of football and create excitement about Revere Minutemen Football. Since its inception, over 500 campers have been through the camp, including most of the current Minutemen football players.

Red-White-Blue Game (2010-2012)

In 2010, the annual Red-White-Blue Game was founded by Head Coach Phil Heyn. The game is held on the first day of full contact during August two-a-day practices. The freshmen team (Red) plays the sophomores (White) and the varsity is split evenly to create White and Blue teams. The game is preceded by a practice involving the youth teams and is followed by a large tailgate. The day also incorporates Family Day at Practice and Youth Day at Practice.

Copley Steak Dinner

In ????, the annual Copley Steak Dinner was founded by Head Coach ??? ???. The dinner takes place following the Thursday practice prior to the Copley game.

Helmet Awards (2003-PRESENT)

The first game of each season, the blue helmets always look a little too clean. That's because players earn star stickers for their play on the field. The practice was started in 2003 by Head Coach Terry Cistone. White stars are awarded for team, unit, and individual goals accomplished during a game. Black Stars are awarded for individual academic achievements. And Red Stars are awarded for team, unit, and individual goals accomplished during practice. Aside from the stars shown on the helmets of players, a chart in the locker room keeps track of the leaves earned by each player, for each game.

The overall tradition of Helmet Sticker Awards is credited to Jim Young, an assistant at Miami of Ohio in 1965—he got the idea when thinking about WWII fighter pilots putting flag stickers on the side of their . Two years later, Ohio State under Coach Woody Hayes and Trainer Ernie Biggs began putting Buckeye Leafs on players' helmets.

Revere Football Traditions

Family Night (210-2012)

In 2010, Family Night was founded by Head Coach Phil Heyn. The game is the 2nd to last home game and the week leading up to the game focuses on the importance of family. At the game, family members wear the practice and extra game jersey's of their player and after the game a program family picture is taken.

A family's legacy is in everything around you! Look in a mirror and there will be no mistaking your family's legacy—It may be in the eyes or shape of your face. There is nothing more important than family! It helps us in shaping our life. It teaches us the value of love, affection, care, truthfulness and self-confidence and provides us tools and suggestions which are necessary to get success in life. It is family that will be there through thick and thin—that will choose you before them in times of need.

Revere Football: Miscellaneous History

"The Helmet"

In the fall of 1988, Selby Industries donated a huge 12'x12' football helmet to RHS—the helmet was installed over the scoreboard. A year later, they added an illuminant face and then added several other features over the next few years. It was retired and taken down prior to the 1994 season. But everyone that was around Revere football still remembers it and countless number of visitors still remember getting directions that ended with "just look for the helmet."
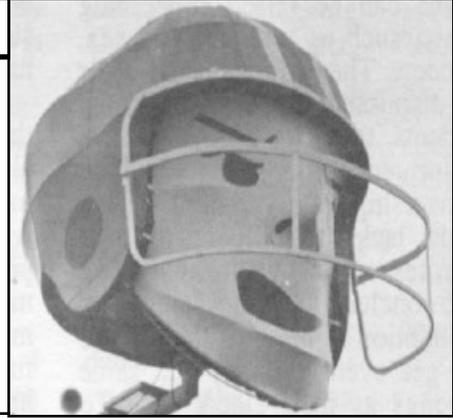

Female Football Player

In 1999, Revere had its first and only female football player. Melissa Bickett came out for the team her senior year as a kicker. She was 1/5 in extra point tries in her only year. Melissa was also the starting goalie on the women's soccer team and an extremely successful member of the track & field team. In 1999, she was the state runner-up in both the shot-put and the discuss. In 2000, she was the state champion in the discuss and 3rd in the shot put. Melissa went on to attend the University of Michigan where she was a team captain as a senior and the Big Ten Champion in the discuss. Melissa's brothers (Jay-'93 and Tom-'09) were both letterwinners for the Minutemen football pro-

Revere Football Facilities: Joseph F. Pappano Stadium

Originally the Minutemen played their home games at Bath Field located next to Bath School at the corner of Cleveland-Massillon and Bath Roads. In the fall of 1955, construction on a new field began. The field was located at Revere High School, at the corner of Everett and Revere Roads, and included a new lighted field and track. On September 20, 1957, the first game was played on the field—a 6-0 win over Copley. On October 31, 1958, Revere High School Football Field was officially dedicated. On September 8, 1962 a dedication ceremony was held to commemorate the completion of a number of projects to the field, including new 1,200 seat steal bleachers. In 1994 the stadium received a major facelift with addition of new visitor bleachers, an all-weather track, new permanent fencing around the field and stadium, and paving around the stadium to replace the gravel. In 2002, new home bleachers were added along with an impressive press box.

In 2002, the stadium was rededicated and named after Coach Joseph F. Pappano. The honor was bestowed upon Coach Pappano who coached for 26 years (1977-2002) and became one of the area's best coaches. He finished his career with 160 wins, 9 league titles, 7 state qualifying teams, a 20-6 record against Copley, Ohio High School Coach of the Year in Division II in 1980 and '89 and in Division III in '90, and was inducted into the Summit County Sports Hall of Fame in 2004.

In 2009, field turf was installed in the stadium thanks to the efforts of a community organization (Revere Turf Committee) along with the Revere Administration and the Revere Board of Education. The Stadium also received an expanded playing surface, new fencing, a new all-weather track, new paving around the stadium, and play clocks on both sides of the field.

In 2008 with the Revere Board of Education (BOE) identifying the need to replace the deteriorating track at Joseph F. Pappano Stadium, a group of Revere parents proposed raising funds to replace the natural grass field with an artificial surface. This group of parents then formed the Revere Turf Initiative which sought to fundraise in order to make this vision a reality.

The project cost is estimated at $1,380,000. The Revere School District provided the initial $500,000 it had reserved for the required track replacement and any remaining cost of the total project (the reduced annual maintenance cost of the new turf as compared to natural grass will also financially benefit the school district. The Turf Initiative's goal is to privately fund $650,000 towards the project. The initial push has been a tremendous successes—As of August 15, 2009, approximately $500,000 has been pledged by 185 different local families, businesses, and organizations!

Although great progress has been made in such a short period of time, additional money still needs to be raised. Anyone who would like to make a pledge and be a part of this exciting initiative, please visit www.revereturf.com.

Revere Turf Facts

- The artificial turf is manufactured by Tiger Turf (same manufacturer that supplied the turf for the Pinnacle Sports Complex, Hawkin's School, and Avon's stadium for the Lake Erie Crushers.

- The grade of turf which was purchased has both a grass length fiber and shorter thatch layer. The design helps to contain the rubber flyout and also gives a more realistic appearance of real grass. The thatch layer is both brown and green in color to replicate the look of a real lawn

- The turf is held down by 275,000 pounds of crushed recycled rubber.

- The new field is 70 yards x 120 yards (8,400 square yards) compared to 50 yards x 120 yards (6,000 square yards) of the old field.

- The seams of the turf are joined through a comprehensive heated gluing process.

Revere Football Facilities: William E. Moats Field House

When a bond issue that included the field hose was defeated in November 1978, the Revere Booster Club decided to build it themselves. Under the leadership and work of club president Dr. William Moats, they worked to raise over $250,000. A majority of this was done through five major donations of $25,000 (Mr. Russell Dancey, Mr. and Mrs. Robert Hissong, Mr. Stanley Lojeck, and two anonymous donors). The booster club then appealed to the community for smaller donations—170 different local families, businesses, and organizations contributed to the project! As the results were promising; Dr Moats, Reno Alessio, Dr. Alfred Magoline, Dr. John Weingart, and Dr. Thomas Kelly went to the bank and signed a note for the remaining amount needed with an interest rate at about seven percent. With Reno Alessio donating his time as the construction manager and the actual construction was done at a charitable cost by the Earnest Alessio Construction Company, the project was ready to begin.

On May 30, 1979 a groundbreaking ceremony was held for the new Revere Field House, work was complete on it by the Fall, and it was officially dedicated on October, 18, 1979. The new field house provided onsite locker rooms, heated concession stand, and permanent restrooms to the stadium.

With the state-of-the-art field house complete and being occupied, a financial crisis occurred for those that had signed for the bank loan. In the early 80s, the interest rates skyrocketed to 20 percent and the interest accumulated on the loan far beyond what the committee could raise. In order to repay the loan, the Revere Booster Club held their first Reverse Raffle, with a car donated by Bigelow Chevrolet as the grand prize.

In 1995, the field house received an addition—included a new football/baseball locker room, a new concession stand, expanded weight room, and a new trainers room.

In 2000, the field house was rededicated and named after Dr. William E. Moats. The honor was bestowed upon Dr. Moats after his longtime presence in the district—former standout athlete (football, basketball, baseball, and track), former Revere Booster Club President, and longtime team physician.

As an athlete, the 5'10 and 145 pound Bill "Willy" Moats earned one letter in track, three letters in football and baseball, and four letters in basketball before graduating in 1954. He attended Wooster College where he was a four year letterwinner (1955-1958) as a member of the baseball team. Dr. Moats served as a team physician from 1963 To 1999 In addition, he has been affiliated with Summa Health System since 1964. He has spoken and researched intensively on the topic of Sports Medicine. He also has served as the Medical Director of Akron City Hospital Sports Medicine, the Ohio Ballet, and for the Akron RoadRunner Marathon.

JAMES JACCAUD

BILL BRUNSKILL

Jim Jaccaud was proud to be an active member of the Revere Booster Club for several years. He strongly believed in supporting young athletes and unselfishly gave of his time and talents.
Jim truly loved the Revere students and fellow members of the booster club.

Bill Brunskill graduated from Revere High School in 1954. He was an honor student, and very active in school functions. He excelled in sports—basketball, baseball, and track. He was an inspiration to all who knew him.

The weight room part of the original field house. New nautilus equipment arrived in January of 1980. In 1994, the wall was torn down and the former trainers room was made part of the weight room. All new Hammer Strength equipment was purchased by the Revere Gridiron Club and Revere Booster Club—it arrived in the Spring of 1995. New flooring was added in 2009. In 2013, the weight room was turned into an athletic meeting room with the weight equipment being moved to the Multi-Purpose Weight Room.

In 2013, the weight room was turned into an athletic meeting room with the weight equipment being moved to the Multi-Purpose Weight Room.

Revere Football Facilities: Multipurpose Room Training Facility

Multipurpose Room Training Facility is was started by the Wrestling Program and a major donation by Jerry Kusar. In 2007-2008, the informal weight room was made into a formal training area. Thanks to donations by the Revere Booster Club and the Revere Athletic Department, new flooring was installed and new equipment was added.

Revere Football Facilities: RHS Trophy Case Dedicated to Ed Luther

In 2008-2009, Revere added a trophy case outside of the gymnasium. The project was made possible through donations by the Ed Luther Family, Revere Booster Club, and Revere Athletic Department. It was dedicated to Ed Luther on January 16, 2009.

Ed Luther was an alumnus ('79) who loved Revere. It was his great-grandparents that founded Luther Farms and the Luther's have been a mainstay in Revere ever since. Ed's children are part of Revere School—Ed Luther Jr. (2008 Football 1st Team All-District Selection), Andy Luther (2009 All-League), Brian Luther, and Cody Luther.

The RHS student council dedicated the new auditorium, main gym area, and multipurpose room (wrestling room) to Gordon E. Knapp in 1981. Knapp was a teacher, coach, and principal who taught in the district from 1941 to 1980. The day before Mr. Knapp officially retired, was involved in a fatal car crash on his way home.

- The Revere home for winter sports was originally the Richfield Gymnasium (the new high school did not originally have a gymnasium).

- In 1953, a gymnasium was added on the 1-year old Revere high school.

- In 1981, a the Gordon E. Knapp addition was added. The addition added a new gymnasium, locker rooms, multipurpose room (wrestling and gymnastics room). The old gym was converted into the library.

- In 1995, with the addition of a new library, the Auxiliary Gym was added by converting the old library back to a gymnasium

Revere Football at the Next Level
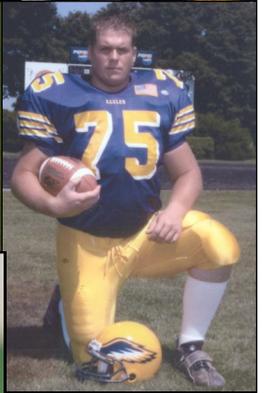

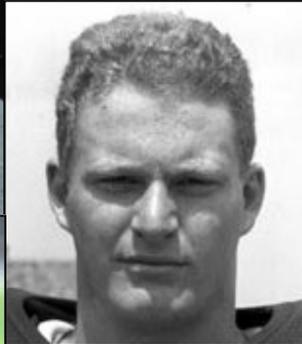

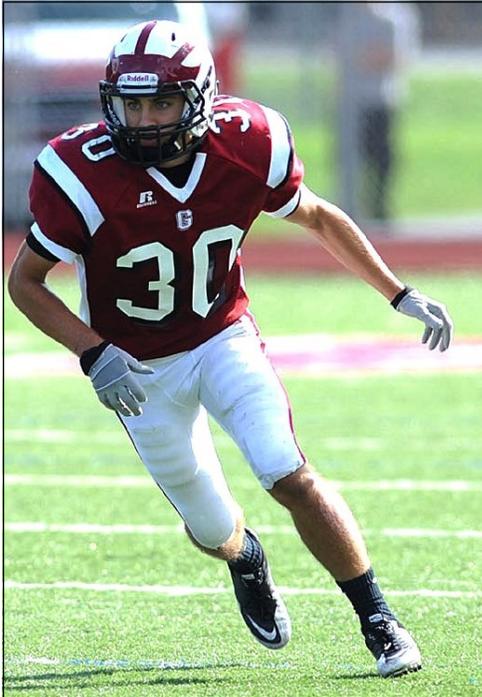

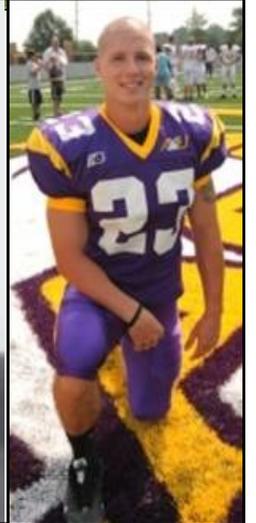

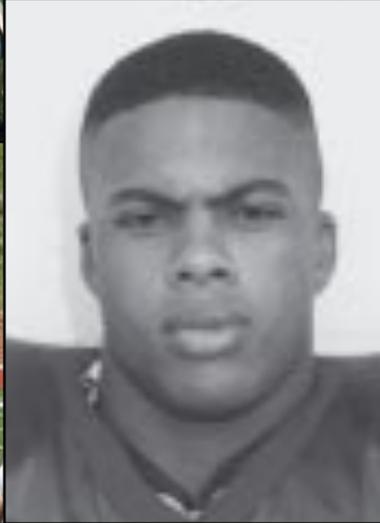

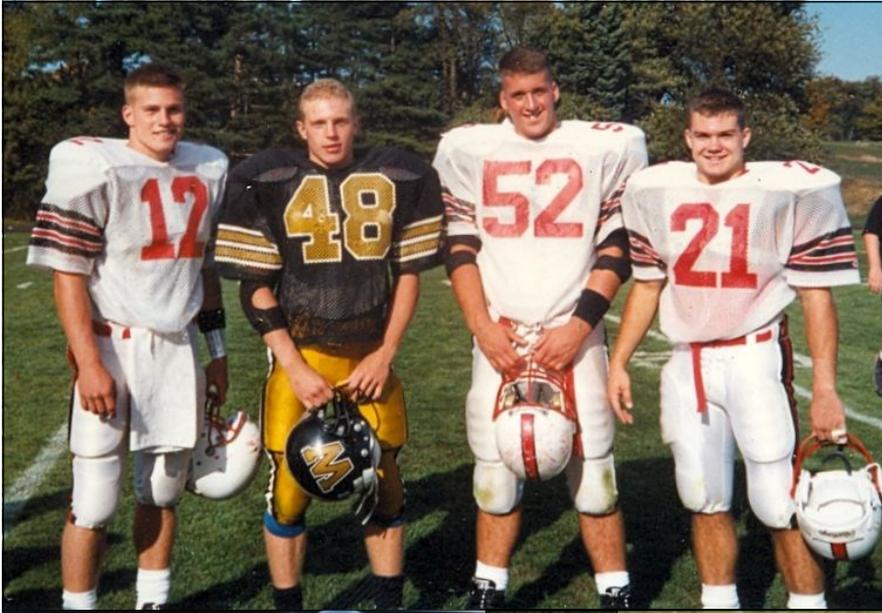

Al Kerkian

High School: Revere—'63
College: University of Akron
NFL Experience: 0 Season
Path to the NFL: Al Kerkian was a three-year letter winner and an All-Suburban League performer. He graduated from Revere in 1963 and went on to play football for the University of Akron. At Akron, Kerkian was All-League (1965) and in 1965 received the Fred Stefton Award (Team Defensive Player of the Year). He was then selected by the Dallas Cowboys in the 13th Round in the 1967 NFL draft.—first Akron player ever selected. Kerkian performed well in the Cowboy's training camp and just before most likely making the team, he suffered a knee injury that thus ended his career. In 1988, Mr. Kerkian was inducted into the Summit County Athletic Hall of Fame.

Andy McCollum

High School: Revere—'88
College: University of Toledo
NFL Experience: 15 Season
Path to the NFL: Andy McCollum's road from Revere to the NFL took different turns along the way. At Revere, Andy was a three-year letter winner and an All-Suburban League performer. He graduated from Revere in 1988 and went on to play football for the University of Toledo. At Toledo Andy was: a four year letterman (1989-1992), All-League (1991 & 1992), Academic All-League (1989-1992), a member of the 1990 MAC Co-Championship team, and served as team captain his senior year (1992). After graduating with honors, he signed a contract with the Milwaukee Mustangs of the arena league before being signed to the Cleveland Browns practice squad. In 1994, he was signed of the practice squad by New Orleans—he would go onto play five years with the Saints. In 1999, Andy signed a free agent contract with the St. Louis Rams. He played for the Rams for 9 years, including winning Super Bowl XXXIV. In 2002 he won the Ed Block Courage Award recipient—is an annual award presented to selected players in the National Football League (NFL), who are voted by their teammates as role models of inspiration, sportsmanship, and courage. In 2008, Andy played his

In 2003, Andy was inducted into the University of Toledo Athletic Hall of Fame. In 2012, Revere High School retired Andy's #55 football number to honor his achievements and in 2014 he was inducted into the Revere Athletic Hall of Fame.
