ALTERNATIVE TAX BUDGET INFORMATION**School Districts Only**School District Name Revere LocalFor the Fiscal Year Commencing July 1, 2022

Fiscal Officer Signature _____

Date January 11, 2022**COUNTY OF SUMMIT****Background**

Substitute House Bill No. 129 (HB 129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Under the law in effect prior to June 3, 2002, the budget commission could only waive the tax budget for a subdivision or other taxing unit that was receiving a share of the county undivided local government fund or the county undivided local government revenue assistance fund under an alternative method or formula pursuant to ORC Sections 5747.53 and 5747.63. Thus, tax budgets could be waived only for counties, municipalities, townships and park districts. This restriction is now removed.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34 and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

At a May 7, 2002 Summit County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (including schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis. (Original form for schools dated November 19, 2002).

Alternative Tax Budget Information Filing Deadline

The fiscal officer of a public school district must file one signed copy of this document with the Summit County Fiscal Officer, on or before January 15th.

(Adopted 5/7/02)

GUIDELINES FOR COMPLETING THE ALTERNATIVE TAX BUDGET INFORMATION

SCHEDULE 1

The general purpose of schedule 1 is to meet the requirement of Ohio Revised Code (ORC) Section 5705.04 which requires the taxing authority of each subdivision to divide the taxes levied into separate levies. Utilize the Summit County Budget Commission Certification of Tax Levy Estimate issued by the budget commission for the current year, and add any approved new levies.

In column I list the fund that will receive property tax revenue amount shown across, in column IX. In column II purpose refers to the following terms: current expenses, debt service, and permanent improvement. In column IX, identify the gross amount of property tax revenue requested from each levy.

SCHEDULE 2

The general purpose of schedule 2 is to demonstrate the need to produce property tax revenues to cover the estimated expenditures for the "tax year/collection year" involved.

ORC Section 5705.341 states in part; Nothing in this section or any section of the ORC shall permit or require the levying of any rate of taxation, whether within the 10 mill limitation or whether the levy has been approved by the electors, the political subdivision or the charter of a municipal corporation in excess of such 10 mill limitation, unless such rate of taxation for ensuing fiscal year is clearly required by a budget properly and lawfully adopted under this chapter or by other information required per ORC 5705.281."

Property Taxes include real estate taxes, public utility personal property taxes, homestead and rollback amounts.

Personal Property Tax Reimbursements include public utility personal property and tangible personal property reimbursement amounts.

Total Expenditures: all expenditure line items and transfers-out.

SCHEDULE 3

The general purpose of schedule 3 is to produce an Official Certificate of Estimated Resources for funds that do not receive property tax revenue.

SCHEDULE 4

The general purpose of schedule 4 is to provide inside millage for debt service. The basic security for payment of general obligation debt is the requirement of the levy of ad valorem property taxes within the 10 mill limitation imposed by Ohio law. Ohio law requires a levy and collection of ad valorem property tax to pay debt service on general obligation debt as it becomes due, unless that debt service is paid from other sources.

SCHEDULE 5

The general purpose of schedule 5 is to provide for the proper amount of millage to cover debt service requirements on voted bond issues. Major capital improvement projects are sometimes financed through the use of voted bonds. The taxing authority seeks voter approval for issuance of general obligation bonds and for the levy of property taxes outside the indirect debt limitation in amounts sufficient to make required payments on those bonds.

To determine the proper amount of millage required for voted debt service the budget commission is required to take into consideration the beginning estimated cash balance in the debt service fund for the "tax year/collection year" involved, in addition to the debt payment amounts.

SCHEDULE 6

The general purpose of schedule 6 is to properly account for tax anticipation notes. See schedule 6 for more details.

TAX ANTICIPATION NOTES

SCHEDULE 6

Tax anticipation notes are issued in anticipation of the collection of the proceeds of a property tax levy. The amount of money required to cover debt service must be deposited into a bond retirement fund, from collections and distribution of the tax levy, in the amounts and at the times required to pay those debt charges as provided in the legislation authorizing the tax anticipation notes. (ORC Section 133.24)

The appropriation to the fund which normally receives the tax levy proceeds is limited to the balance available after deducting the amounts to be apportioned to debt service.

After the issuance of general obligation securities or of securities to which section 133.24 of the ORC applies, the taxing authority of the subdivision shall include in its annual tax budget, and levy a property tax in a sufficient amount, with any other monies available for the purpose, to pay the debt charges on the securities payable from property tax.
